3. DECLARATIONS OF INTEREST

Declarations of interest are to be made in writing prior to the commencement of the Meeting, (a form to assist Elected Members and Staff is attached at the end of this Agenda).

Declaration of Financial Interests

A declaration under this section requires that the nature of the interest must be disclosed. Consequently a member who has made a declaration must not preside, participate in, or be present during any discussion or decision-making procedure relating to the matter the subject of the declaration. An employee is required to disclose their financial interest and if

required to do so by the Council must disclose the extent of the interest. Employees are required to disclose their financial interests where they are required to present verbal or written reports to the Council. Employees are able to continue to provide advice to the Council in the decision making process if they have disclosed their interest.

Name/Position	
Item No/Subject	
Nature of Interest	
Extent of Interest	

Declaration of Proximity Interest

Elected members (in accordance with Regulation 11 of the *Local Government [Rules of Conduct] Regulations 2007*) and employees (in accordance with the Code of Conduct) are to declare an interest in a matter if the matter concerns: a) a proposed change to a planning scheme affecting land that adjoins the person's land; b) a proposed change to the zoning or use of land that adjoins the person's land; or c) a proposed development (as defined in section 5.63(5)) of land that adjoins the persons' land.

Land, the proposed land adjoins a person's land if: a) the proposal land, not being a thoroughfare, has a common boundary with the person's land; b) the proposal land, or any part of it, is directly across a thoroughfare from, the person's land; or c) the proposal land is that part of a thoroughfare that has a common boundary with the person's land. A person's land is a reference to any land owned by the person or in which the person has any estate or interest.

Declaration of Interest affecting impartiality

Elected Members (in accordance with Regulation 11 of the *Local Government [Rules of Conduct] Regulations 2007*) and employees (in accordance with the Code of Conduct) are required to declare any interest that may affect their impartiality in considering a matter. This declaration does not restrict any right to participate in or be present during the decision-making process. The Elected Member/employee is also encouraged to disclose the nature of the interest.

4. CONFIRMATION OF MINUTES

That the minutes of the Finance and Audit Committee meeting, held on 22 October 2018, be confirmed.

5. TERMS OF REFERENCE

1. Name

Finance and Audit Committee

2. Purpose

The Town's Strategic Community Plan notes four components of the mission statement, namely –

- Social To promote sustainable connected, safe and diverse places for everyone.
- Economic To promote sustainable diverse, resilient and prosperous places for everyone.
- Environment To promote sustainable liveable, healthy and green places for everyone.
- Civic leadership To show leadership by communicating with, empowering and supporting people in the community.

The primary purpose of this committee shall be the civic leadership component of the Town's mission statement, which is to show leadership by communicating with, empowering and supporting people in the community.

3. Scope

The committee will primarily focus on the following key civic leadership strategic outcomes-

- Well thought out and managed projects that are delivered successfully.
- Appropriate information management that is easily accessible, accurate and reliable.
- Innovative, empowered and responsible organisational culture with the right people in the right jobs.
- Finances are managed appropriately, sustainably and transparently for the benefit of the community.
- Visionary civic leadership with sound and accountable governance that reflects objective decision making.
- Legislative responsibilities are resourced and managed appropriately, diligently and equitably.

Wherever possible, the committee will seek opportunities to address the following additional strategic outcomes –

- Everyone receives appropriate information in the most efficient and effective way for them.
- Appropriate devolution of decision making and service provision to an empowered community.
- People have positive exchanges with the Town that inspires confidence in the information and the timely service provided.
- A community that is authentically engaged and informed in a timely manner.

4. Deliverables

The committee will -

- Provide strategic leadership in the development and regular review of policies and strategies that are inclusive, empowering and build capacity of the Town of Victoria Park community.
- Provide guidance and assistance to Council as to the carrying out its functions in relation to audits in compliance with the *Local Government Act 1995*.
- Ensure Council maintains its financial capacity to deliver programs and services.
- Provide advice to Council in relation to matters related to the scope of the committee.

Specifically the committee will ensure delivery of the following –

- Annual review of policies, strategies and plans related to the scope of the committee.
- Annual compliance audit.
- Annual risk management audit.

5. Reporting

Although any service area of the Town may report through this committee on matters associated with the primary purpose and scope, the following service areas of council are likely to predominantly feature –

- Customer Relations
- Financial Services
- Human Resources
- Information Systems
- Leadership and Governance
- Project Management

6. Governance

The committee is a Council-created committee formed under Subdivision 2 (Committees and their meetings) of the *Local Government Act 1995* and is governed by the provisions of the *Town of Victoria Park Standing Orders Local Law 2011* and the *Local Government Act 1995* and its regulations.

The committee will comprise a maximum of four (4) Elected Members (being two (2) Elected Member representatives from each of the Town's two (2) wards with five (5) Elected Members being appointed in a hierarchical order as alternate deputy members) and up to two (2) other persons (that may be co-opted from time-to-time for such period, or in relation to such matters, as determined, where that person's experience, skills or qualifications would enable him or her to make a contribution to the committee's functions).

In accordance with section 5.19 of the *Local Government Act 1995*, the quorum for a meeting of the committee is at least 50% of the number of offices (whether vacant or not) of members of the committee.

7. Meeting arrangements

The committee shall convene in accordance with the annual adopted meeting schedule.

8. Authority

The committee has no delegated power. The committee may only make recommendations to Council for a decision.

9. Review

The committee and committee terms of reference will be reviewed from time-to-time and immediately following each local government election.

6. PRESENTATIONS

6.1 Deputations

Nil.

7. METHOD OF DEALING WITH AGENDA BUSINESS

RECOMMENDATION:

That clause 6.10 Speaking Twice of the Town of Victoria Park Standing Orders Local Law 2011 be suspended for the duration of this meeting.

NOTE: The above recommendation if adopted will enable members to speak more

than once and assist in open discussion for the entire meeting.

NOTE: Mover and seconder required and the matter put to the vote.

8. REPORTS

8.1 Independent Audit Report and Annual Financial Report 2017 - 2018

File Reference:	FIN/11/0001~09
Appendices:	Yes
Attachments:	No

Date:	15 November 2018
Reporting Officer:	A. Thampoe
Responsible Officer:	G. Pattrick
Voting Requirement:	Simple Majority

Executive Summary:

Recommendation – That the Finance and Audit Committee recommends that Council acknowledges the Audit Completion Report and draft Independent Auditor's Report, and accepts the audited Annual Financial Report, for the 2017-2018 financial year, as included in the appendices for this report.

- The Annual Financial Report gives a true and fair view of the financial position of the Town of Victoria Park as at 30 June 2018 and of its financial performance for the year ended on that date; and
- The Annual Financial Report complies with the Local Government Act 1995 (as amended), the Local Government (Financial Management) Regulation 1996 (as amended) and the Australian Accounting Standards.

TABLED ITEMS:

Nil

BACKGROUND:

Each year, as part of Council's audit process, an Independent Audit is undertaken to assess Council's Annual Financial Report and the legitimacy and accuracy of Council's accounts. An Independent Audit Report is then produced by the Auditor.

The Auditor, after completing the audit, is to forward a copy of the audit and / or management report to –

- The Mayor;
- The Chief Executive Officer; and
- The Minister, via the Department of Local Government, Sport and Cultural Industries.

The Independent Audit Report is also required to be included in Council's Annual Report.

Any issues arising from the Independent Audit Report are to be investigated and action taken to resolve those issues.

DETAILS:

As part of Council's committee structure, the Finance and Audit Committee has been established to review areas of an audit or compliance nature. The Audit Completion Report, draft Independent Auditor's Report and the audited Annual Financial Report are presented as attachments to this report.

Legal Compliance:

Local Government Act 1995 (as amended) (primarily Part 6 – Financial Management and Part 7 – Audit);

Local Government (Audit) Regulations 1996 (as amended);

Australian Accounting Standards; and

International Financial Reporting Standards.

Policy Implications:

Nil

Risk Management Considerations:

Risk &	Consequence +	Likelihood =	Overall Risk	Mitigation/Actions
Consequence	Rating	Rating	Analysis	Willigation/Actions
Financial Impact: Council not accepting Independent Auditor's report	Moderate	Unlikely	Moderate	Provide reasoning and detailed explanations to Council to enable informed decision making.
Compliance: Annual Financial Report not complying with the requirements of the Local Government (Financial Management) Regulations 1996	Moderate	Unlikely	Moderate	Engage external auditors to audit the Annual financial statements.
Financial impact: Misstatement or significant error in Annual Financial Report	Major	Unlikely	Moderate	Daily and monthly reconciliations. Internal and external audits.
Financial Impact: Fraud and illegal acts	Catastrophic	Rare	Moderate	Stringent internal controls. Internal audits. Segregation of duties.

Strategic Plan Implications:

CL6 in the Strategic Community Plan 2017-2032 - Finances are managed appropriately, sustainably and transparently for the benefit of the community.

CL 10 in the Strategic Community Plan 2017-2032 - Legislative responsibilities are resourced and managed appropriately, diligently and equitably.

Financial Implications:

Internal Budget:

The costs to perform the Annual Financial Audit are within budget constraints.

Total Asset Management:

Nil

Sustainability Assessment:

External Economic Implications:

Nil

Social Issues:

Ni

Cultural Issues:

Nil

Environmental Issues:

Nil

COMMENT:

The Independent Audit was undertaken in October 2018 (refer to attachments) in line with current Australian Auditing Standards.

The Auditor notes that the financial report:

- Gives a true and fair view of the financial position of the Town of Victoria Park as at 30 June 2018 and of its financial performance for the year ended on that date; and
- 2. Complies with the Local Government Act 1995 (as amended) and the Australian Accounting Standards.

Note

An unadjusted misstatement relating to rates received in advance amounting to \$339,548, was identified during the audit and has been noted under "Specific Required Communications" section of the Audit Report.

The Auditor noted:

"There was one uncorrected misstatement pertaining to rates received in advance amounting to \$339,548 which has been classified as a liability instead of income in the financial report."

By way of explanation to the above notation from the Auditor, under AASB 1004 – Contributions, rates received in advance should be reported as income in the year of receipt. However, AASB 1058 – Income of Not for Profit Entities (which becomes applicable to reporting periods beginning on or after 1 January 2019) permits rates received in advance to be treated as a liability at year end. Early application of this accounting standard is statutorily permitted.

Management have taken the conservative approach in recognising rates revenue received in advance as a liability, have considered comments by the Auditor, and have determined that the above unadjusted audit difference is immaterial to the financial statement given that an early application of AASB 1058 would be available in the 2018-2019 financial year.

Options

The Finance and Audit Committee can either recommend to Council to accept or to not accept the audited Annual Financial Report.

If the Committee recommends to Council the acceptance of the Annual Financial Report then the process for the production of the Annual Report can continue.

If the Committee recommends to Council to not accept the Annual Financial Report then the process for the production of the Annual Report cannot continue and the currently advertised date for the hosting of the Annual General Electors' Meeting will need to be revised. A further meeting of the Finance and Audit Committee will also be required as the Annual Financial Report is required to be accepted prior to the production of the Annual Report.

CONCLUSION:

The Annual Financial Report was audited by external auditors and, given there were no identified areas of non-compliance, it is recommended that the Committee recommend to Council to accept the 2017-2018 Annual Financial Report.

In accordance with the *Local Government Act 1995 (as amended)* (Section 7.12A – Duties of local government with respect to audits) a representative(s) from Council's Auditor, Macri Partners, will also be in attendance at the meeting to speak to the audit and take questions from committee members.

RECOMMENDATION/S:

That the Finance and Audit Committee recommends to Council that, pursuant to Part 6 (Financial Management) and Part 7 (Audit) of the *Local Government Act* 1995, Council;

- 1. Acknowledges the Audit Completion Report and draft Independent Auditor's Report; and
- 2. Accepts the audited Annual Financial Report, for the 2017-2018 Financial Year, as included in the appendices for this report, noting that the report:
 - Gives a true and fair view of the financial position of the Town of Victoria Park as at 30 June 2018 and of its financial performance for the year ended on that date; and
 - Complies with the Local Government Act 1995 (as amended), the Local Government (Financial Management) Regulation 1996 (as amended) and the Australian Accounting Standards.

8.2 Schedule of accounts for 31 October 2018

File Reference:	FIN/11/0001~09
Appendices:	Yes
Attachments:	No

Date:	19 November 2018
Reporting Officer:	A. Thampoe
Responsible Officer:	G. Pattrick
Voting Requirement:	Simple Majority

Executive Summary:

Recommendation - That the Finance and Audit Committee recommends that Council, acknowledges the Schedule of Accounts paid for the month ended 31 October 2018.

- The accounts paid for 31 October 2018 as included in the appendices.
- Direct lodgement of payroll payments to the personal bank accounts of employees are also included.

TABLED ITEMS:

Nil

BACKGROUND:

Council has delegated to the Chief Executive Officer the authority to make payments from the Municipal and Trust funds in accordance with the *Local Government (Financial Management) Regulations 1996.*

Under Regulation 13(1) of the *Local Government (Financial Management) Regulations* 1996, where a local government has delegated to the Chief Executive Officer the exercise of its power to make payments from the Municipal fund or the Trust fund, each payment from the Municipal fund or the Trust fund is to be noted on a list compiled for each month showing:

- a) The payee's name;
- b) The amount of the payment;
- c) The date of the payment; and
- d) Sufficient information to identify the transaction.

That list should then be presented at the next Ordinary Meeting of the Council following the preparation of the list, and recorded in the minutes of the meeting at which it is presented.

DETAILS:

The list of accounts paid in accordance with Regulation 13(1) of the Local Government (Financial Management) Regulations 1996 is contained within the Appendices, and is summarised as thus -

Fund Municipal Account	Reference	Amounts
Automatic Cheques Drawn Creditors – EFT Payments Payroll Bank Fees Corporate MasterCard	608440 – 608468	43,728 5,481,903 1,055,992 13,783 4,238 6,599,644
Trust Account Automatic Cheques Drawn	3611 – 3615	17,962 17,962

Legal Compliance:

Section 6.10 (d) of the Local Government Act 1995 refers, ie.-

6.10. Financial management regulations

Regulations may provide for —

- (d) the general management of, and the authorisation of payments out of
 - (i) the municipal fund; and
 - (ii) the trust fund,

of a local government.

Regulation 13(1), (3) & (4) of the Local Government (Financial Management) Regulations 1996 refers, ie.-

- 13. Lists of Accounts
 - (1) If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared
 - (a) the payee's name;
 - (b) the amount of the payment;
 - (c) the date of the payment; and
 - (d) sufficient information to identify the transaction.
 - (3) A list prepared under subregulation (1) is to be
 - (a) presented to the council at the next ordinary meeting of the council after the list is prepared; and
 - (b) recorded in the minutes of that meeting.

Policy Implications:

Nil

Risk Management Considerations:

Three risks have been identified as outlined.

Risk &	Consequence +	Likelihood =	Overall Risk	Mitigation/Actions
Consequence	Rating	Rating	Analysis	3
Compliance: Council not accepting Schedule of Accounts	Moderate	Unlikely	Moderate	Provide reasoning and detailed explanations to Council to enable informed decision making.
Financial Impact: Misstatement or significant error in Schedule of Accounts	Major	Unlikely	Moderate	Daily and monthly reconciliations. Internal and external audits.
Financial Impact: Fraud and illegal acts	Catastrophic	Rare	Moderate	Stringent internal controls. Internal audits. Segregation of duties

Strategic Plan Implications:

CL6 – Finances are managed appropriately, sustainably and transparently for the benefit of the community.

CL 10 – Legislative responsibilities are resourced and managed appropriately, diligently and equitably.

Financial Implications:

Internal Budget:

Nil

Total Asset Management:

Nil

Sustainability Assessment:

External Economic Implications:

Nil

Social Issues:

<u>Cultural Issues:</u>

Nil

Environmental Issues:

Nil

COMMENT:

All accounts paid have been duly incurred and authorised for payment as per approved purchasing and payment procedures and it is therefore recommended that the Committee recommend to the Council to accept and confirm the payments, as included in the appendices.

In anticipation that committee members will ask questions about the schedule of accounts, please note that these questions and answers will be included in the appropriate Elected Members Briefing Session agenda and Ordinary Council Meeting agenda.

RECOMMENDATION/S:

The Finance and Audit Committee recommends to Council that, pursuant to Regulation 13 of the *Local Government (Financial Management) Regulations 1996 (as amended)*, Council confirm:

- 1. The accounts paid for 31 October 2018 as included in the appendices; and
- 2. Direct lodgement of payroll payments to the personal bank accounts of employees.

8.3 Financial statements for the month ending 31 October 2018

File Reference:	FIN/11/0001~09
Appendices:	No
Attachments:	Yes

Date:	15 November 2018
Reporting Officer:	A. Thampoe
Responsible Officer:	G. Pattrick
Voting Requirement:	Simple majority

Executive Summary:

Recommendation - That the Finance and Audit Committee recommends that Council, accepts the Financial Activity Statement Report - 31 October 2018, as attached to and forming part of this report.

• The Financial Activity Statement Report is presented for the month ending 31 October 2018. The report complies with the requirements of Regulation 34 (Financial activity statement report) of the *Local Government (Financial Management) Regulations 1996.*

TABLED ITEMS:

Nil

BACKGROUND:

Each month officers are required to prepare monthly financial reports, covering prescribed information, and present these to Council for acceptance.

DETAILS:

Presented is the Financial Activity Statement Report – 31 October 2018.

Please note -

The figures stated as opening balances for the 2018-2019 financial year have been audited by external auditors as part of the 2018 Annual Financial report but have not been accepted by Council as at the preparation date of this report and should therefore not be taken as the Town's final financial position.

Revenue

Operating Revenue and Non-Operating Revenue – Material variances are identified where, for the period being reported, the actual varies to the budget by an amount of (+) or (-) \$25,000 and, in these instances, an explanatory comment has been provided.

Expense

Operating Expense, Capital Expense and Non-Operating Expense – Material variances are identified where, for the period being reported, the actual varies to the budget by an amount of (+) or (-) \$25,000 and, in these instances, an explanatory comment has been provided.

For the purposes of explaining each material variance, a three-part approach has been applied. The parts are –

1. Period Variation

Relates specifically to the value of the variance between the Budget and Actual figures for the period of the Report.

2. Primary Reason(s)

Explains the primary reason(s) for the period variance. Minor contributing factors are not reported.

3. End-of-Year Budget Impact

Forecasts the likely financial impact on the end-of-year financial position. It is important to note that figures in this part are 'indicative only' at the time of reporting, for circumstances may subsequently change prior to the end of the financial year.

Legal Compliance:

Regulation 34 (Financial activity statement report) of the *Local Government (Financial Management) Regulations 1996* states –

- (1) A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for that month in the following detail
 - (a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c);
 - (b) budget estimates to the end of the month to which the statement relates;
 - (c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;
 - (d) material variances between the comparable amounts referred to in paragraphs (b) and (c); and
 - (e) the net current assets at the end of the month to which the statement relates.
- (2) Each statement of financial activity is to be accompanied by documents containing
 - (a) an explanation of the composition of the net current assets of the month to which the statement relates, less committed assets and restricted assets;
 - (b) an explanation of each of the material variances referred to in subregulation (1)(d); and
 - (c) such other supporting information as is considered relevant by the local government.
- (3) The information in a statement of financial activity may be shown
 - (a) according to nature and type classification; or
 - (b) by program; or
 - (c) by business unit.
- (4) A statement of financial activity, and the accompanying documents referred to in subregulation (2), are to be
 - (a) presented at an ordinary meeting of the council within 2 months after the end of the month to which the statement relates; and

- (b) recorded in the minutes of the meeting at which it is presented.
- (5) Each financial year, a local government is to adopt a percentage or value, calculated in accordance with the AAS, to be used in statements of financial activity for reporting material variances.

Section 6.8 of the *Local Government Act 1995* (Expenditure from municipal fund not included in annual budget) states –

- (1) A local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure —
- (a) is incurred in a financial year before the adoption of the annual budget by the local government; or
- (b) is authorised in advance by resolution*; or
- (c) is authorised in advance by the Mayor or president in an emergency.
- * Absolute majority required.
- (1a) In subsection (1) additional purpose means a purpose for which no expenditure estimate is included in the local government's annual budget.
- (2) Where expenditure has been incurred by a local government —
- (a) pursuant to subsection (1)(a), it is to be included in the annual budget for that financial year; and
- (b) pursuant to subsection (1)(c), it is to be reported to the next ordinary meeting of the council.

COMMENT:

It is recommended that the Financial Activity Statement Report - 31 October 2018 be accepted.

CONCLUSION:

The Financial Activity Statement Report – 31 October, complies with the requirements of Regulation 34 (Financial activity statement report) of the *Local Government (Financial Management) Regulations 1996.* It is therefore recommended that the Financial Activity Statement Report – 31 October be accepted.

RECOMMENDATION/S:

That the Finance and Audit Committee recommends that Council, pursuant to Regulation 34 of the *Local Government (Financial Management) Regulations 1996*, accepts the Financial Activity Statement Report – 31 October 2018 as attached to, and forming part of, this report.

Statement of Financial Activity Variances

Material Variances Defined

For the purposes of reporting the material variances in the Statement of Financial Activity (by Service Unit) (as contained in this document), the following indicators, as resolved, have been applied –

Revenues (Operating and Non-Operating)

Service Unit material variances will be identified where, for the period being reviewed, the actual varies to budget by an amount of (+) or (-) \$25,000 and, in these instances, an explanatory comment will be provided.

Expenses (Operating, Capital and Non-Operating)

Service Unit material variances will be identified where, for the period being reviewed, the actual varies to budget by an amount of (+) or (-) \$25,000 and, in these instances, an explanatory comment will be provided.

Before commenting on each of the specific material variances identified it is important to note that, whilst many accounts will influence the overall variance, only those accounts within the affected Service Unit that significantly contribute to the variance will be highlighted.

For the purposes of explaining each variance, a multi-part approach has been taken. The parts are –

- 1. Period Variation Relates specifically to the value of the variance between the Budget and Actual figures for the period being reviewed.
- 2. Primary Reason Explains the primary reasons for the period variance. As the review is aimed at a higher level analysis, only major contributing factors are reported.
- 3. Budget Impact Forecasts the likely \$ impact on the year end surplus or deficit position. It is important to note that values in this part are indicative only at the time of reporting, for circumstances may subsequently change.

Material Variances Explained

The Financial statements are presented based on the new organisational structure

As shown in the in the Statement of Financial Activity (contained within this document), the following variances have been identified -

Revenue

Chief Executive Officer

No material variance to report

Community Planning

- Urban Planning
- The period variation is favourable to period budget by \$30,801

- The variation predominantly relates to higher than anticipated Development application fees received for the period.
- The estimated impact on the year end position is an increase in revenue of \$20,000.

<u>Finance</u>

Aqualife

- The period variation is favourable to period budget by \$63,296.
- The variation predominantly relates to higher than anticipated revenue received from learn to swim and health and fitness programs.
- The estimated impact on the year end position is an increase in revenue of \$40,000.

Parking

- The period variation is favourable to period budget by \$93,871.
- The variation predominantly relates to higher than anticipated paid parking and infringement income which is greater than same time last year.
- The estimated impact on the year end position is an increase in revenue of \$90,000.

Operations

No material variance to report

Operating Expense

Chief Executive Office

Customer Relations

- The period variation is favourable to period budget by \$41,390.
- The variation predominantly relates to a vacancy within the area.
 - The estimated impact on the year end position is a reduction in expenditure of \$35,000.

Community Planning

Library Services

- The period variation is unfavourable to period budget by \$48,878.
- The variation predominantly relates to salaries for additional staff required for short term cover within the Adult Program for improved community literacy and learning program delivery.
- The estimated impact on the year end position is an increase in expenditure of \$30,000.

Urban Planning

- The period variation is favourable to period budget by \$39,696.
- The variation predominantly relates to vacancies within the area and underspend of consultancy cost. Consultancy costs are expected to be spent in the upcoming months.
- The estimated impact on the year end position is a reduction in expenditure of \$20,000.

Finance

Aqualife

- The period variation is unfavourable to period budget by \$65,394.
- The variation predominantly relates to staff rosters exceeding budgeted hours across multiple departments (Gym, Recreational Swimming and Learn to swim). Variance is expected to reduce though roster amendments by June 2019.
- The estimated impact on the year end position is an increase in expenditure of \$30,000.

Information Systems

- The period variation is unfavourable to period budget by \$77,768.
- The variation predominantly relates to a number of new unplanned initiatives occurring this financial year.
- The estimated impact on the year end position is an increase in expenditure of \$70,000.

Leisurelife

- The period variation is favourable to period budget by \$86,835.
- The variation predominantly relates to efficiencies in rostering across customer service, crèche and health and fitness areas.
- The estimated impact on the year end position is a reduction in expenditure of \$60,000.

Parking

- The period variation is favourable to period budget by \$102,012.
- The variation predominantly relates to vacancies within the area. These vacancies have also led to less parking projects and associated lower project expenditure.
- The estimated impact on the year end position is a reduction in expenditure of \$70,000.

Operations

Parks and Reserves

- The period variation is favourable to period budget by \$624,387.
- The variation predominantly relates to delays in works such as road reserve maintenance and programmed kerb and footpath spraying been delayed due to weather.
- The estimated impact on the year end position is nil as this is a timing variance.

Street Operations

- The period variation is unfavourable to period budget by \$41,086.
- The variation predominantly relates to additional footpath maintenance due to trip hazard notifications. Additional roadworks maintenance and fixing of potholes have also contributed towards the unfavourable variance.
- The estimated impact on the year end position is an increase in expenditure of \$20,000.

Waste Services

- The period variation is favourable to period budget by \$539,252.
- The variation predominantly relates to delays in invoices.
- The impact on the year end position is nil as this is a timing variance.

Capital Expense

Chief Executive Office

No material variance to report.

Community Planning

No material variance to report.

Finance

No material variance to report.

Operations

Asset Planning

- The period variation is favourable to period budget by \$337,804.
- The variation predominantly relates to minor delays in few capital projects (Leisurelife changeroom, Leisurelife gym equipment). These projects are currently underway.
- The estimated impact on the year end position is nil as this is a timing variance.

Parks and Reserves

- The period variation is favourable to period budget by \$135,882
- The variation predominantly relates to delays in some tree works due to inclement weather. Weather has also contributed to a late start to watering.
- The estimated impact on the year end position is a reduction in expenditure of \$50,000

Street Operations

- The period variation is favourable to period budget by \$100,995
- The variation predominantly relates to minor delays and budget timing of invoices. Resurfacing works have been rescheduled to be done in early 2019 due to availability of contractor. Some works have also been delayed due to Water corporation works on Albany Highway.
- The impact on the year end position is nil as this is a timing variance.

Non-Operating Revenue

<u>Finance</u>

No material variance to report.

Operations

No material variance to report.

Non-Operating Expenses

Finance

No material variance to report.

Proposed Budget Amendments

No proposed budget amendments.

Accounting Notes

Significant Accounting Policies

The significant accounting policies that have been adopted in the preparation of this document are:

(a) Basis of Preparation

The document has been prepared in accordance with applicable Australian Accounting Standards (as they apply to local government and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations.

The document has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

(b) The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in this document.

In the process of reporting on the local government as a single unit, all transactions and balances between those Funds (for example, loans and transfers between Funds) have been eliminated.

(c) 2018 - 2019 Actual Balances

Balances shown in this document as 2018 - 2019 Actual are subject to final adjustments.

(d) Rounding Off Figures

All figures shown in this document, other than a rate in the dollar, are rounded to the nearest dollar.

(e) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

(f) Superannuation

The Council contributes to a number of Superannuation Funds on behalf of employees. All funds to which the Council contributes are defined contribution plans.

(g) Goods and Services Tax

Revenues, expenses and assets capitalised are stated net of any GST recoverable. Receivables and payables in the statement of financial position are stated inclusive of applicable GST. The net amount of GST recoverable from, or payable to, the ATO is included with receivables on payables in the statement of financial position. Cash flows are presented on a Gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

(h) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and that are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown as short term borrowings in current liabilities.

(i) Trade and Other Receivables

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

(j) Inventories

General

Inventories are measured at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land Held for Resale

Land purchased for development and/or resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Revenue arising from the sale of property is recognised as at the time of signing an unconditional contract of sale. Land held for resale is classified as current except where it is held as non-current based on Council's intentions to release for sale.

(k) Fixed Assets

Each class of fixed asset is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Initial Recognition

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost, or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Council and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in the period in which they are incurred.

Revaluation

Certain asset classes may be re-valued on a regular basis such that the carrying values are not materially different from fair value. For infrastructure and other asset classes, where no active market exists, fair value is determined to be the current replacement cost of an asset less, where applicable, accumulated depreciation calculated on the basis of such cost to reflect the already consumed or expired future economic benefits of the asset. Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same asset are recognised against revaluation surplus directly in equity; all other decreases are recognised in profit or loss. Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the re-valued amount of the asset.

Those assets carried at a re-valued amount, being their fair value at the date of revaluation less any subsequent accumulated depreciation and accumulated impairment losses, are to be re-valued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

Land Under Roads

In Western Australia, all land under roads is Crown land, the responsibility for managing which, is vested in the local government. Council has elected not to recognise any value for land under roads acquired on or before 31 October 2008. This accords with the treatment available in Australian Accounting Standard AASB 1051 Land Under Roads and the fact Local Government (Financial Management) Regulation 16 (a) (i) prohibits local governments from recognising such land as an asset. In respect of land under roads acquired on or after 1 August 2008, as detailed above, Local Government (Financial Management) Regulation 16 (a) (i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4 (2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail. Consequently, any land under roads acquired on or after 1 September 2008 is not included as an asset of the Council.

<u>Depreciation of Non-Current Assets</u>

All non-current assets having a limited useful life (excluding freehold land) are systematically depreciated over their useful lives in a manner that reflects the consumption of the future economic benefits embodied in those assets. Assets are depreciated from the date of acquisition or, in respect of internally constructed assets, from the time the asset is completed and held ready for use. Depreciation is recognised on a straight-line basis, using rates that are reviewed each reporting period. Major depreciation periods are:

Buildings		40 years
Furniture and Equ	5 – 10 years	
Plant and Machinery		2 – 10 years
Sealed Roads	 Clearing and Earthworks 	Not depreciated
	 Construction and Road Base 	5 – 80 years
	- Original Surface / Major Resurface	5 – 80 years
Drainage		5 – 80 years
Pathways		5 – 80 years
Parks and Reserv	5 – 80 years	

Asset residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with the carrying amount. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

Capitalisation Threshold

Expenditure on capital items under \$2,000 is not individually capitalised. Rather, it is recorded on an Asset Low Value Pool listing.

(I) Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Council becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Council commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted). Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit of loss', in which case transaction costs are expensed to profit or loss immediately.

Classification and Subsequent Measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method or cost. Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as:

- a. the amount in which the financial asset or financial liability is measured at initial recognition;
- b. less principal repayments;
- plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest rate method; and
- d. less any reduction for impairment.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

Financial assets at fair value through profit and loss

Financial assets at fair value through profit or loss are financial assets held for trading. A financial asset is classified in this category if acquired principally for the purpose of selling in the short term. Derivatives are classified as held for trading unless they are designated as hedges. Assets in this category are classified as current assets.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Loans and receivables are included in current assets where they are expected to mature within 12 months after the end of the reporting period.

Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments that the Council's management has the positive intention and ability to hold to maturity. They are subsequently measured at amortised cost. Held-to-maturity investments are included in current assets where they are expected to mature within 12 months after the end of the reporting period. All other investments are classified as non-current. They are subsequently measured at fair value with changes in such fair value (i.e. gains or losses) recognised in other comprehensive income (except for impairment losses). When the financial asset is derecognised, the cumulative gain or loss

pertaining to that asset previously recognised in other comprehensive income is reclassified into profit or loss.

Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

They are subsequently measured at fair value with changes in such fair value (i.e. gains or losses) recognised in other comprehensive income (except for impairment losses). When the financial asset is derecognised, the cumulative gain, or loss, pertaining to that asset previously recognised in other comprehensive income is reclassified into profit or loss. Available-for-sale financial assets are included in current assets, where they are expected to be sold within 12 months after the end of the reporting period. All other financial assets are classified as non-current.

Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Impairment

At the end of each reporting period, the Council assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether impairment has arisen. Impairment losses are recognised in profit or loss. Any cumulative decline in fair value is reclassified to profit or loss at this point.

Derecognition

Financial assets are derecognised where the contractual rights for receipt of cash flows expire or the asset is transferred to another party, whereby the Council no longer has any significant continual involvement in the risks and benefits associated with the asset.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

(m) Impairment

In accordance with Australian Accounting Standards the Council's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired. Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another standard (e.g. AASB 116). For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset. At the time of adopting the Annual Budget, it was not possible to estimate the amount of impairment losses (if any) as at 31 October 2018. In any event, an impairment loss is a non-cash transaction and consequently, has no impact on the Annual Budget.

(n) Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the Council prior to the end of the financial year that are unpaid and arise when the Council becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

(o) Employee Benefits

Provision is made for the Council's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those cash flows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cash flows.

(p) Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

(q) Provisions

Provisions are recognised when:

- a. The Council has a present legal or constructive obligation as a result of past events:
- b. for which it is probable that an outflow of economic benefits will result; and
- c. that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(r) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where the Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non-current based on the Council's intentions to release for sale.

(s) Comparative Figures

Where required, comparative figures have been adjusted to conform to changes in presentation for the current reporting period.

(t) Budget Comparative Figures

Unless otherwise stated, the Budget comparative figures shown in this Budget document relate to the original Budget estimate for the relevant item of disclosure.

Service Unit Definitions

The Town operations, as disclosed in this report, encompass the following service-oriented Service Units –

Chief Executive Office

Chief Executive Office

The Chief Executive Office leads and supports the transformation of the organisation into a customer-focused, culturally constructive, legislatively compliant, sector-leading entity, with a primary focus on the Service Areas within the Chief Executive Office functional area.

Communications and Engagement

Communications and Engagement manages the brand and reputation of the Town. This is achieved through developing clear and accessible messaging, consulting with the community, delivering key messages through various channels and working to reach the appropriate audiences through strategically executed marketing, engagement and communication planning.

Customer Relations

Customer Relations manages the Customer Service Contact Centre, which is the first point of contact for the organisation, and monitors performance against the Town's Customer Service Charter.

Leadership and Governance

The Leadership and Governance Service Area is committed to responsibly managing the Town on behalf of the residents and ratepayers of the District through collaboration, knowledge-sharing and good governance.

Human Resources

Human Resources is responsible for the development and implementation of occupational health and safety compliance, staff development, employee relations, recruitment and payroll services of the Town.

Community Planning

Building Services

Building Services provide services to ensure buildings are safe, liveable, accessible and sustainable, and meet statutory requirements.

Community Development

The Community Development team's vision is an empowered Victoria Park, which will be achieved through the mission of community capacity building.

Community Planning Office

The Community Planning Office leads and supports the transformation of the organisation into a customer-focused, culturally constructive, legislatively compliant, sector-leading entity, with a primary focus on the Service Areas within the Community Planning functional area.

Digital Hub

The Digital Hub provides free digital literacy and online training for the local community, not-for-profit organisations and local business operators.

Economic Development

Economic Development seeks to increase the economic growth of the district through fostering business attraction and retention, tourism, marketing, community initiatives and creating robust relationships.

Environmental Health

Environmental Health seeks to promote good standards of public health via the many hospitality outlets in the area and the community in general.

General Compliance

The General Compliance Area liaise with and direct property owners and developers to ensure built-form building and planning requirements are adhered to at all times.

Healthy Community

The Healthy Community team connect people to services, resources, information, facilities, and experiences that enhance their physical and social health and wellbeing.

<u>Library Services</u>

Library Services plays a pivotal role in providing our community with access to resources, knowledge and technology in a safe, nurturing environment.

Place Management

The Place Management Service Area implements programs, hat are suitable for the particular targeted section of the community, to improve places within the District or, where the community is satisfied with the standard of operation, to maintain the already attained standard.

Strategic Town Planning

Strategic Town Planning develops strategies for the future growth of the Town, with the aims of creating a vibrant community and improving the quality of life for residents.

<u>Urban Planning</u>

Urban Planning assesses applications for development approval and subdivision, provides advice to the community and ensures land is appropriately used and developed.

Finance

Aqualife

The Aqualife Centre aims to improve community health and wellbeing; and to provide a safe and welcoming environment for the community to meet and socialise, primarily through aquatic recreation.

Budgeting

The Budgeting Area includes the administration of non-cash expenditure and revenue associated with local government accounting requirements, including profit and loss and depreciation.

Corporate Funds

The Corporate Funds are includes the management of loans, reserve fund transfers, restricted and trust funds, rate revenue and corporate grants funding.

Finance Office

The Finance Office leads and supports the transformation of the organisation into a customer-focused, culturally constructive, legislatively compliant, sector-leading entity, with a primary focus on the Service Areas within the Finance functional area.

Financial Services

The key role of Financial Services is to manage and control the Town's finances in a sound and prudent manner.

Information Systems

Information Systems assists the Town in operating efficiently with the smooth running of essential business computer programs and systems.

<u>Leisurelife</u>

The Leisurelife Centre aims to improve community health and wellbeing, and to provide a safe and welcoming environment for the community to meet and socialise, primarily through active recreation.

Parking

The Parking Management section guides future parking initiatives within the Town, ensuring equitable access for everyone, whilst also monitoring existing parking areas and ensuring a safer community.

Rangers

Ranger Services offer a 24 hours-a-day / 7 days-a-week service to help ensure community safety in the areas of Dog and Cat management and Local Law enforcement.

Operations

Asset Planning

Asset Planning provides services to manage and maintain Council facilities and their related assets.

Environment

The Environment Area is committed to preserving and enhancing natural areas and recognises not only the ecological benefits of protecting natural assets, but also the social and recreational benefits as well.

Fleet Services

Fleet Services oversees the various items of light fleet, heavy fleet and plant and equipment.

Operations Office

The Operations Office leads and supports the transformation of the organisation into a customer-focused, culturally constructive, legislatively compliant, sector-leading entity, with a primary focus on the Service Areas within the Operations functional area.

Parks and Reserves

The Parks and Reserves Section delivers high quality horticultural works to parks, reserves and streetscapes.

Project Management

Project Management assists in improving the standards of project management and project delivery, and delivers nominated projects on behalf of the Town.

Street Improvement

Street Improvement provides engineering advice, design, planning, and road safety initiatives.

Street Operations

Street Operations ensure the maintenance and renewal of roads, pathways, drainage and associated assets.

Waste

Waste Management implements waste collection, minimisation and disposal in a sustainable manner.

Reserve Funds For the month ended 31 October 2018

Reserve Funds Descriptions

The purposes for which funds have been set aside by Council, in Reserve Funds, are outlined below -

Building Renewal

To be used to fund renewal projects associated with Council's Building assets.

Cash-in-Lieu

To be used to assist in funding initiatives associated with payments received as cash in lieu of required obligations or works.

Community Art

To be used to fund the purchase and placement of art for the Council and Community.

Drainage Renewal

To be used to fund renewal projects associated with Council's Drainage infrastructure.

Edward Millen Site

To be used to assist in improving and / or maintaining the Edward Millen site, including the associated grounds. grounds.

Furniture and Equipment Renewal

To be used to fund renewal projects associated with Council's Furniture and Equipment assets.

Future Fund

To assist in funding projects and property purchases that diversify Council's revenue streams.

Future Projects

To assist in funding 'new' and 'upgrade' capital projects, with funding primarily derived from the sale of land assets

Harold Hawthorne - Carlisle Memorial

To be used to provide funds to assist in conducting future Spring Garden Competitions.

Information Technology Renewal

To be used to fund renewal projects associated with Council's information technology assets. significant insurance claims.

Insurance Risk Reserve

To be used for the purpose of meeting the difference between premiums and claims in the event of any significant insurance claims.

Other Infrastructure Renewal

To be used to fund renewal projects associated with Council's Other infrastructure.

Parks Renewal

To be used to fund renewal projects associated with Council's Parks infrastructure.

Pathways Renewal

To be used to fund renewal projects associated with Council's Pathways infrastructure

Reserve Funds For the month ended 31 October 2018

Plant and Machinery Renewal

To be used to assist in the acquisition and replacement of the Town's Plant and Machinery.

Renewable Energy

To assist in investigating and funding renewable energy projects within the District.

Poads Ponowal

To be used to fund renewal projects associated with Council's Roads Infrastructure

Underground Power

To assist in the funding of projects associated with the installation of underground power and associated landscaping.

Waste Management

To assist in the funding of waste management and waste minimisation strategies

Capital Items

The following pages summarise the progress of the Capital Items.

For the purposes of these pages, the following indicators have been used -

Item Timing

This relates to how the item is tracking time-wise and is displayed using the following indicators -

×	Behind
	On-Track
$\overline{\mathbf{V}}$	In-Front

Budget Status

This relates to how the item is costing against the Revised Budget and is displayed using the following indicators -

×	Over budget
	On budget
₫	Under budget

Completion Stage

This relates to where the item is currently, in terms of completion, and is displayed using the following indicators -

Not commenced
Commenced
Half-way completed
Nearing completion
Completed

8.4 Policy review – EM6 Fees, Expenses and Allowances – Elected Members

File Reference:	COR/13/0001~03
Appendices:	 Proposed Policy EM6 Fees, Expenses and Allowances – Elected Members Proposed Policy EM6 Fees, Expenses and Allowances –
	Elected Members with tracked changes
Attachments:	No

Date:	14 October 2018
Reporting Officer:	N. Cain
Responsible Officer:	N. Cain
Voting Requirement:	Simple Majority

Executive Summary:

Recommendation – That the Finance and Audit Committee recommends that Council rescind the previous wording within Council Policy EM6 (Fees, Expenses and Allowances – Elected Members) and determines a new title and new wording, which includes reference to Independent Committee Members, for the policy.

- The Finance and Audit Committee has reviewed Council Policy EM6 (Fees, Expenses and Allowances Elected Members).
- Due to an administrative error the policy was not considered at the October 2018
 Finance and Audit Committee meeting and it was requested to be presented to the
 November 2018 Ordinary Council Meeting. The item was then referred back to the
 November 2018 Finance and Audit Committee meeting.
- Changes to the title and wording of the policy statement are recommended, as well as including reference to Independent Committee Members.

TABLED ITEMS:

Nil

BACKGROUND:

Council regularly reviews its policies to ensure that they continue to be relevant and appropriate.

The Finance and Audit Committee, with input from officers of the Town, reviewed Council Policy EM6 (Fees, Expenses and Allowances – Elected Members) and proposed changes to the wording of the policy.

Council, at the November 2018 Ordinary Meeting of Council, referred the item back to the Finance and Audit Committee for further consideration.

DETAILS:

The Finance and Audit Committee recently requested a review of Council Policy EM6 (Fees, Expenses and Allowances – Elected Members) be undertaken with a view to ensuring that it;

- 1. is still relevant;
- 2. is still the preferred position of Council; and
- 3. includes reference to the newly appointed Independent Committee Members.

Accordingly, officers of the Town hosted a Finance and Audit Committee workshop discussion (27 August 2018) from which came the following key directions.

- A preference towards changing the current six-monthly payment to monthly payments, in arrears;
- Allowances and payments to be retained at the maximum levels, as determined;
- A preference to annual sitting fees, as opposed to "per meeting" payments;
- Independent Committee Members to be recognised to the extent that is legislatively allowable.

Policy wording was drafted and provided for discussion at the Finance and Audit Committee Workshop (10 September 2018) whereby the following was informally supported.

Elected council members and independent committee members are entitled to fee payments and/or reimbursements pursuant to those prescribed in the Local Government Act 1995.

All elected council members and independent committee members are to receive the maximum legislated dollar value of the applicable fees and/or reimbursements payable for holding their respective position and, where this is an annual fee payable, then this payment is to be made on a pro-rata basis, calculated daily, and paid monthly in arrears.

The calculation of applicable expense reimbursements are to be in accordance with the appropriate legislation at the time those expenses are incurred.

The title of the policy is also proposed to change to reflect the inclusion of the independent committee members.

Legal Compliance:

Section 2.7 (Role of council) of the *Local Government Act 1995* states:

- (1) The council
 - (a) governs the local government's affairs; and
 - (b) is responsible for the performance of the local government's functions.
- (2) Without limiting subsection (1), the council is to
 - (a) oversee the allocation of the local government's finances and resources; and
 - (b) determine the local government's policies.

Division 8 (Local government payments and gifts to its members) of the *Local Government Act 1995* sets out the fees and expenses an elected member and/or independent committee member is entitled to be paid as determined.

Section 5.100 (Payment for certain committee members) of the *Local Government Act 1995* states:

- (1) A person who is a committee member but who is not a council member or an employee is not to be paid a fee for attending any committee meeting.
- (2) Where -
 - (a) a local government decides that any person who is a committee member but who is not a council member or an employee is to be reimbursed by the local government for an expense incurred by the person in relation to a matter affecting the local government; and
 - (b) a maximum amount for reimbursement of expenses has been determined for the purposes of section 5.98(3)(b), the local government must ensure that the amount reimbursed to that person does not exceed that maximum.

The Salaries and Allowances Act 1975 states that the Salaries and Allowances Tribunal will be the determining body for the setting of the dollar ranges each local government may apply when making payments and providing gifts to elected members.

Policy Implications:

The item makes recommendation that Council Policy EM6 (Fees, Expenses and Allowances – Elected Members) be updated.

Risk Management Considerations:

Risk & Consequence	Consequence + Rating	Likelihood = Rating	Overall Risk Analysis	Mitigation/Actions
Compliance. Fees and reimbursements not made as per the dollar value levels, as determined by legislation and/or Council decision.	Minor	Possible	Moderate	Payment and accounting processes, and legislative updates, to be reviewed on a regular basis.

Strategic Plan Implications:

The following strategic outcomes of Council, as included in Council's Strategic Community Plan (2017-2032), are relevant;

- CL8 Visionary civic leadership with sound and accountable governance that reflects objective decision making.
- CL9 Appropriate devolution of decision making and service provision to an empowered community.
- CL10 Legislative responsibilities are resourced and managed appropriately, diligently and equitably.

Financial Implications:

Internal Budget:

Elected member, and independent committee member, fees and reimbursements have been included in the 2018-2019 Annual Budget at the maximum determined dollar value.

The value for elected member fees and reimbursements is included within the 2018-2019 Annual Budget.

An additional amount of \$6,000 has also been included in the 2018-2019 Annual Budget to meet committee expenses, with the primary purpose to cover any expenses associated with recruitment and reimbursement of independent committee members.

COMMENT:

The proposed amended Council Policy EM6 (Fees, Expenses and Allowances – Elected Members) has been reviewed noting the desire of the Finance and Audit Committee to ensure the policy:

- 1. is still relevant;
- 2. is still the preferred position of Council; and
- 3. includes reference to the newly appointed Independent Committee Members.

Both the proposed policy (in the appropriate policy format) and a tracked changes version (showing the transition from the previous version to the proposed new version) of the policy are included in the Appendices.

The preparation of the policy serves to reflect the discussion held at Committee workshops.

CONCLUSION:

The proposed changes to Council Policy EM6 (which includes an amended title and policy wording) appropriately reflects Committee workshop discussion and is therefore recommended for determination.

FURTHER COMMENT:

Elected members requested further information with regard to this item. This has necessitated some minor amendment to the wording of the documentation, with the concerns/questions and responses outlined below.

- Are there any risks posed by the deletion of text in the previous policy —such as the notes regarding types of expenses paid? If the deletion of the text in the previous policy leaves the policy unclear in the types of expenses payable (i.e. to what extent, etc.), then there is a risk of either non-compliance to our own policy, non-compliance to the legislation (if that doesn't clearly align), and an inability for staff to work under the policy's directive. In this instance it is believed that any risk is minimal.
- Is there another document, perhaps more operational, that captures concerns raised regarding reference to the statutory mechanisms or resolutions that allow payments, reimbursements and allowances to be paid?

 The policy, as now presented, provides the necessary requirement to make payments.
- Is a resolution of council required to cover reimbursements for Independent Committee Members? Does this policy have sufficient detail to cover this?

 The answer to whether or not a Council Resolution is required to deal specifically with reimbursement for Independent Members is no. In this instance it is considered that the policy, as now presented, has sufficient detail to cover this.
- With the terminology not including the word allowances, will this still encompass things like the IT allowance?
 The policy, as now presented, includes updates to ensure this is suitably identified and covered.
- The proposed draft policy wording makes no reference to Council having passed the
 necessary resolutions permitting annual payments in lieu of individual payments etc.
 The policy, as now presented, includes updates to ensure this is suitably identified and
 covered.
- Independent committee members are not entitled to any fees under the Act: s5.100A(1).
 The policy, as now presented, includes updates to ensure this is suitably identified and covered.
- There is no "maximum legislated dollar value of the applicable ... reimbursements payable". There is a maximum hourly rate for babysitting, but no upper limit, and no limit for reimbursements.

 The policy, as now presented, includes updates to ensure this is suitably identified and
 - overed.
- There is no reference to the types of expenses for which reimbursements can be claimed, whereas the existing policy refers to certain types of expenses.

 The policy, as now presented, was written so as to include for the introduction of other fees, allowances and reimbursements should they be legislated.

 There is no reference to the accounting period e.g. from date of election to following year, or calendar year or financial year.
 The policy, as now presented, includes updates to ensure this is suitably identified and covered.

RECOMMENDATION/S:

That the Finance and Audit Committee recommend that Council, pursuant to Section 2.7 (The role of the council) of the *Local Government Act 1995, and with regards to Council Policy EM6 (Fees, Expenses and Allowances – Elected Members)*:

- 1. Acknowledges that a review has been undertaken by the Finance and Audit Committee;
- 2. Rescinds the previous wording and title of the policy and procedure; and
- 3. Adopts the Council Policy EM6 Fees, Expense and Allowances Elected Members and Independent Committee Members, as included in the appendices.

9. MOTION FOR WHICH PREVIOUS NOTICE HAS BEEN GIVEN

(required 3 ½ business days prior to the meeting, in writing to the CEO.)

10. MEETING CLOSED TO PUBLIC

10.1 Matters for which the meeting may be closed

Nil.

10.2 Public reading of resolutions that may be made public

Nil.

11. CLOSURE OF COMMITTEE MEETING

DECLARATION OF FINANCIAL INTEREST / PROXIMITY INTEREST / INTEREST THAT MAY AFFECT IMPARTIALITY

Section 5.65(1) of the Local Government Act 1995 states that:

"A member who has an interest in any matter to be discussed at a Council or Committee meeting that will be attended by that member must disclose the nature of the interest:

- (a) in a written notice given to the CEO before the meeting; or
- (b) at the meeting immediately before the matter is discussed".

ALTERNATE MOTION / AMENDMENT SUBMISSION

To: HIS WORSHIP THE MAYOR:

Please be advised that I wish to move an ALTERNATE MOTION / AMENDMENT
Name of Elected Member:
Signature:
Date of Submission:
Council Meeting Date:
Item Number:
Item Title:
Alternate Motion / Amendment: (strike out which is not applicable)
Note: Motions to Stand Alone
All decisions of the council must be in the form of motions that are clear in their intent and enable a person to understand what has been decided without reference to another motion
or information contained in the body of a report.
Reason:

Note: Explanation for changes to Recommendations

Administration Regulation 11 requires the minutes to include written reasons for each decision that is significantly different from the written recommendation. Members must therefore provide a written reason in the space provided above.
