

Additional Information

I'm Lindsay Miles, seeking your vote in the upcoming Town of Vic Park elections.

I'm a Carlisle resident who has lived in the Town since 2016. I want to see the Town remain a safe, inclusive and vibrant place for all, and increase its liveability and resilience in the face of modern-day challenges including the rising cost-of-living. My experience working with local governments all over Perth for more than a decade as a small business owner has given me insight into what we do well and where we can do better.

I was elected onto council in October 2023 and I've spent these two years listening to our community, working hard to understand your needs, issues and concerns and advocating for better outcomes. I sit on the Towns Access and Inclusion Advisory Committee, Business Advisory Group, Integrated Transport Working Group and I represent the Town of Victoria Park on the south-east metro WALGA zone.

My record on council:

- Recognising cost-of-living pressures and responding to resident feedback by voting to drop the rate increase from 5% to 4% in 2025-26 budget;
- Prioritising the Urban Forest Strategy, supporting the Kent St Sand Pit restoration project and pushing to increase tree canopy and green spaces;
- Endorsing new waste management contracts to improve collection services and tackle illegal dumping, plus successfully advocating for the rollout of the FOGO (food waste) bins to happen in 2025;
- Listening to concerns about the Archer St speed bumps and voting to remove the existing rubber speed cushions and replace with more suitable traffic calming treatments (to be implemented in coming financial year);
- Working with residents to find to solutions to local issues including parking, safer active transport routes to schools and concerns with development proposals.

If I'm re-elected I'll continue to listen to your concerns and advocate for the things that matter to you.

Vote 1 Lindsay Miles for Banksia Ward.
