**Are you an Elected Member, Staff of the Town or immediate family?** Yes  No

### Town of Victoria Park Local Law requirements relating to landscaping on verges:

- No plant is to be more than 750mm when mature, or of hazardous nature (eg. thorny or poisonous);
- Paving material (pavers only) is limited to 25% of the verge area, excluding the crossover, and, if used, is to be integrated into the soft landscaping so as not to provide an area for vehicle parking;
- Artificial turf or synthetic grass is not permitted as a verge treatment;
- Loose pea gravel, crushed brick or other stone aggregates are generally not permitted as verge treatments;
- The verge treatment is not to impede pedestrian access;
- The general level and grade of the verge is not to be altered;
- All irrigation pipework and associated fittings are to be laid at a depth of not more than 300mm, nor less than 150mm, below ground level;
- Mulch is to be woodchips or large-particle vegetative mulch material (please specify in sketch plan over);
- Existing street trees are to be protected and not to be pruned or interfered with in any way without approval from the Town; and
- Verge treatments are to be set back 1.0m from the road frontage, and if no footpath is present, a 1.5m pedestrian area must be available at the property boundary.

**Would you like to be considered for the trial Adopt-a-Verge Rebate Program?** Yes  No

Selection criteria must be met for the Adopt-a-Verge Program and can be found on the Town's website [here](#).
