Existing Walls
Remove
RL 22.40
6.0000
Smooth out from door to main brick area with ramp
Remove half wall (1 metre height – does not go to the ceiling) to open up space.
RL 22.40
3.000
1.000
Ramp
RL 22.40
Ramp
Refresh and modernize existing 2 cubicle bathroom and sink. No wall removal.
Toilet
ARTS & CRAFTS
FFL 22.40
Store room
Remove concertina door (no wall removal)
1 wide door for entry – transform current window into a doorway
Kitchenette
YOUTH ACTIVITIES
Refresh and modernize kitchenette with new benches and cabinets
ACCESS

Remove concertina door only. Walls remain.

Doors here remain for ambulant users

Create wide entry door in place of the windows here for wide wheelchair access.

Remove

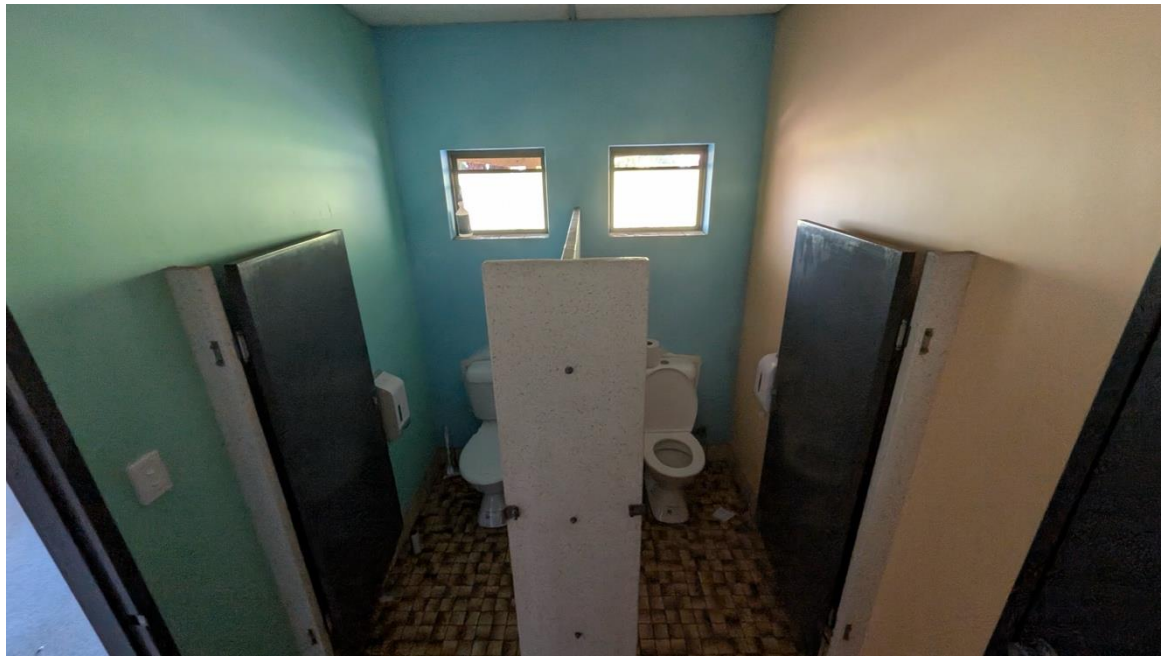

Remove

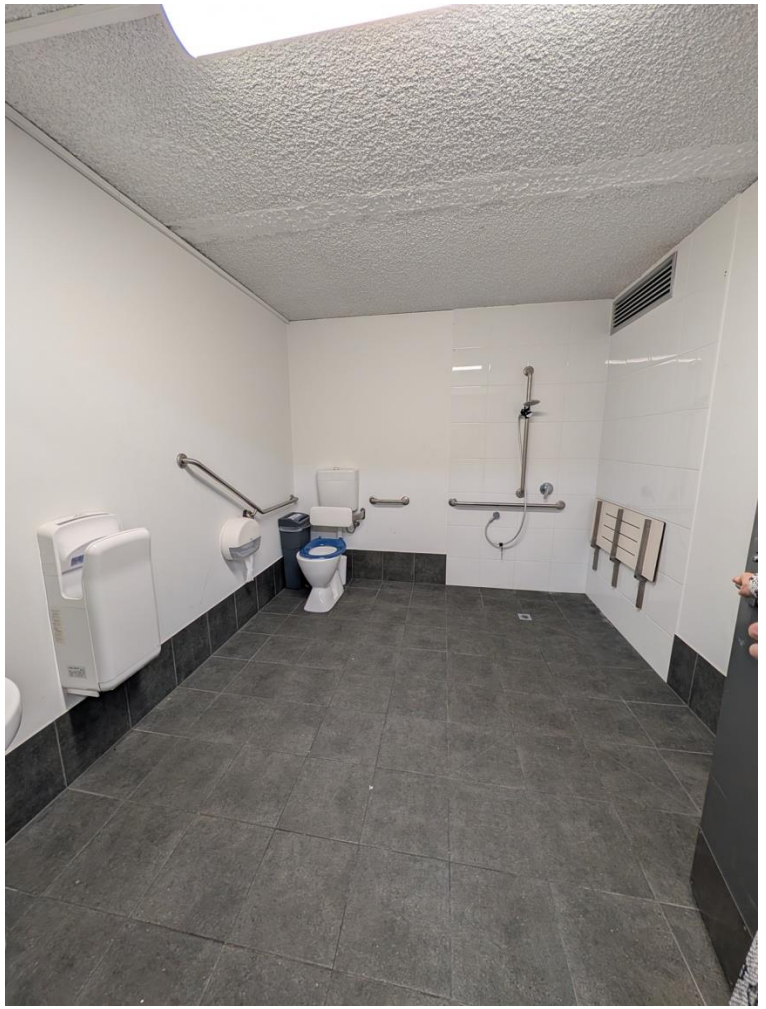

Remove
sink

Modernize

- Maintain 2 cubicles
- This will be used by ambulant/non wheelchair users.

Accessible bathroom is already available at Leisureplex

Modernise with new kitchen benches and cabinets. Maintain current water points.

No wall removal

Double doors open to the outdoor space.

Ramp will go from the door to the brick area to ensure appropriate gradient
