PLANNING AND DEVELOPMENT ACT 2005

**RESOLUTION TO ADOPT AMENDMENT
TO LOCAL PLANNING SCHEME**

TOWN OF VICTORIA PARK

LOCAL PLANNING SCHEME NO. 2 – AMENDMENT NO. ____

RESOLVED that the Council, pursuant to Section 75 of the *Planning and Development Act 2005* initiate an amendment to the Town of Victoria Park Local Planning Scheme No. 2 as follows:

- (i) Insert (3) under 'Clause 35 – Restrictive Covenants'.
 - (3) A restrictive covenant affecting land in SU1 – Technology Park, Bentley depicted in Schedule D – Special Use Zones that has the effect of restricting sale, lease, subdivision, land use, construction, building height, fencing, parking or materials which may be developed on the land is extinguished.

Note: The owner of land affected by a restrictive covenant which is extinguished by operation of this clause should apply to the Registrar of Titles under the Transfer of Land Act 1893 for a memorandum of the discharge of the restrictive covenant to be entered on the certificate of title, to ensure that the Register reflects the statutory operation of this local planning scheme.

The amendment is 'standard' under the provisions of the *Planning and Development (Local Planning Schemes) Regulations 2015* for the following reason(s):

- a) The amendment would have minimal impact on land in the scheme area that is not the subject of the amendment;
- b) The amendment would not result in any significant environmental, social, economic or governance impacts on land in the scheme area; and
- c) The amendment is not a complex or basic amendment.

1.0 Introduction

1.1 Purpose of Report

This report has been prepared on behalf of Development WA in support of a proposal to amend the Town of Victoria Park Local Planning Scheme No. 2 (**LPS2**) to introduce new provisions under Clause 35 – Restrictive Covenants to extinguish the restrictive covenants imposed on existing lots within the eastern portion of the Bentley Technology Park (**BTP**), identified as Special Use 1 (**SU1**) – Technology Park, Bentley within LPS2 .

1.2 Site Overview

This Scheme Amendment Request relates to the area as shown in **Figure 1 (amendment area)**, which is located in the Town of Victoria Park (**ToVP**) municipality and is bound by Kent Street to the west, Jarrah Road to the north, Hayman Road to the south and the South Metropolitan TAFE to the east.

The amendment area comprises a substantial portion of the BTP. It includes the amendment area, in addition to a portion of land to the west of Kent Street, the south of Burvill Court and north of Hayman Road as shown in **Figure 1**. The BTP spans across the suburbs of Bentley and Kensington within the ToVP and City of South Perth (**CoSP**) respectively. The BTP is one of several key precincts within the Bentley-Curtin Specialised Activity Centre (**Specialised Activity Centre**) – one of five specialised centres in the Perth region, and significant to the regions and the wider State's economy. Land use and development within the entire Specialised Activity Centre, including the BTP, is guided by the Bentley-Curtin Activity Centre Plan (**ACP**) in addition to other components of the State and local planning framework.

The planning framework relevant to this Scheme Amendment Request is discussed in **Section 2** of this report.

Figure 1 Extent of Scheme Amendment Area

1.3 Restrictive Covenants

Historic restrictive covenants apply to multiple properties within the amendment area (**Figure 1**) which are embedded in Transfers of Land from when the land was initially sold by the Minister for Commerce and State Development in 1985.

The restrictive covenants subject to this Scheme Amendment Request include, but are not limited to, those listed in **Table 1** below. Copies of the restrictive covenants are provided in **Appendix A**.

The restrictive covenants implement an independent set of land use planning controls which prohibits the leasing, sale and development of land and includes outdated controls affecting land use, built form, landscaping and car parking subject to permission. They require landowners to obtain approval from the Minister for State Development (or the Western Australian Technology Development Authority for lots affected by D388828 & D513311), under the covenants (in addition to ordinary statutory approvals) and the process to secure this approval is unclear, convoluted, and not established in legislation or regulated by regulations.

This information highlights the purpose of the restrictive covenants are to:

1. Outright prohibit particular land uses;
2. Impose restrictions on materials, construction, colours, signage, parking and fencing unless granted permission by the Minister of State Development;
3. Prohibit the subdivision, sale, and leasing of land unless granted permission by the Minister of State Development; and
4. Restricts subdivision, construction, materials and/or land use unless otherwise approved by the Western Australian Technology Development Authority (quasi-development assessment process, supplementary to the typical statutory process).

1.4 Preparation of the Bentley Technology Park Precinct Structure Plan

Taylor Burrell Barnett, along with several technical specialists (**Project Team**), have been engaged by Development WA to prepare a Precinct Structure Plan (**PSP**) for the BTP. The PSP seeks to provide a contemporary, robust and comprehensive planning framework to support the use and development of the PSP in accordance with the vision for the ACP. The PSP is intended to complement the existing State and local planning framework and guide planning assessment and decision making by all stakeholders.

The PSP has been developed collaboratively with key stakeholders, including the Department of Planning, Lands and Heritage (**DPLH**), the ToVP, the CoSP and key landowners in the precinct. The PSP is intended to be submitted to the ToVP and CoSP for consideration in due course. Once submitted, the PSP will undergo planning assessment and will be subject to a public advertising process, prior to being submitted to the DPLH for assessment on behalf of the Western Australian Planning Commission (**WAPC**). The WAPC is the ultimate decision-maker for the PSP.

If approved by the WAPC, the PSP will be given statutory effect through clause 27 of the Planning and Development (Local Planning Schemes) Regulations 2015 (**Regulations**), which requires a decision-maker for an application for development approval or subdivision approval in an area covered by a structure plan to have due regard to the structure plan when making a determination.

In parallel to the determination of the PSP, it is envisioned that this scheme amendment would be implemented, providing for a contemporary, orderly and proper planning framework and the ordinary pathways for development assessment.

1.4.1 Relationship with this Scheme Amendment Request

This Scheme Amendment Request is intrinsically linked to the implementation of the PSP. Removal of the restrictive covenants are critical to achieve the following objectives:

- Establishing a contemporary, robust, and comprehensive planning framework for the BTP, consistent with the requirements of the ACP; and
- Enabling a streamlined subdivision and development assessment process, in alignment with standard statutory procedures.

The PSP will establish contemporary land use and development controls that are intended to supersede the provisions of the existing restrictive covenants. In doing so, the PSP will also serve to 'fill in the blanks' of the ACP and provide a finer level of detail to guide land use, subdivision and development. While the ACP sets out the overarching vision, structure, and strategic intent for the precinct, the PSP will translate these broader objectives into site-specific planning and design responses—ensuring a more coordinated, practical, and implementable planning framework.

Should the restrictive covenants remain in place following the approval and implementation of the PSP, affected landowners and proponents will be placed in the difficult position of having to navigate competing land use and development controls. This results in an unclear, quasi-approval process—requiring consideration of both the covenants and the PSP—in addition to the ordinary statutory processes. This creates uncertainty and the potential for conflicting design requirements, ultimately complicating the delivery of development outcomes.

The removal of the restrictive covenants seeks to resolve these issues by enabling a streamlined and contemporary planning framework that supports development and facilitates orderly and proper planning assessment processes.

1.4.2 Pre-Lodgement Engagement

To inform the preparation of this Scheme Amendment Request, engagement has been undertaken with key stakeholders.

Landowners

Development WA and the Project Team have undertaken a comprehensive pre-lodgement engagement process to provide key stakeholders with an opportunity to input into the development of the PSP. This includes several one-to-one conversations with key stakeholders, working group meetings, site visits, workshops and ongoing correspondence.

Through these discussions, landowners have consistently expressed their frustrations regarding the building limitations and unclear approval pathway stemming from the restrictive covenants and there is strong support for their removal.

Department of Energy and Economic Diversification

The BTP previously formed part of the Department of Energy and Economic Diversification's (formerly known as the Department of Jobs, Tourism, Science & Innovation (**JTSI**)) property portfolio and was recently transferred to Development WA in June 2020. Although the land was transferred to Development WA, the Minister for State Development (the Honourable Roger Cook, Premier; Minister for State Development; Trade and Investment; Economic Diversification) remains the covenantee and is responsible for the enforcement of the restrictive covenants.

In July 2024, Development WA's Leasing Team engaged with the JTSI to discuss the proposal the removal of the restrictive covenants concurrent with the PSP process and sought their support. The Deputy Director General of the JTSI has expressed their support of PSP's preparation and the proposal to concurrently extinguish the restrictive covenants.

Further engagement is being undertaken alongside the assessment of this Scheme Amendment to obtain the Minister for State Development's formal support as per the direction of the DPLH.

DPLH and Town of Victoria Park

On 7 May 2025, TBB met with the DPLH and Town of Victoria Park (ToVP) to discuss the restrictive covenants impact on the implementation of the future Bentley Technology Park PSP and the process for removing the restrictive covenants via a Scheme Amendment process.

Following the meeting, TBB continued to liaise with the DPLH and ToVP regarding the proposed Scheme Text amendments required to facilitate the removal of the restrictive covenants which has been incorporated as part of this amendment request.

2.0 Planning Framework

2.1 State and Region Planning Framework

This section summarises the key components of the State and Regional planning framework relevant to this Scheme Amendment Request.

2.1.1 Planning and Development Act 2005

This Scheme Amendment Request has been prepared on behalf of DevelopmentWA, a key landowner within the amendment area. Section 75 of the *Planning and Development Act 2005* (**PD Act**) legislates that an amendment to a local planning scheme can be proposed by a landowner in the scheme area, as follows:

- (a) *Prepared by the local government, approved by the Minister and published in the Gazette; or*
- (b) *Proposed by all or any of the owners of any land in the scheme area, adopted, with or without modifications, by the local government, approved by the Minister and published in the Gazette.*

2.1.2 Perth and Peel @ 3.5 million (2018)

Perth and Peel@3.5 Million sets out an overarching framework to guide the Perth and Peel regions population growth to 3.5 million people. This is supported by a suite of four sub-regional planning framework documents. The frameworks provide guidance on where sustainable development should occur over the next 35 to 40 years to ensure the impact of urban growth on areas of environmental significance is minimised; to protect heritage; and to maximise the benefits of available land and existing infrastructure. A key focus of the framework is facilitating infill development within established urban areas, guided by ten core principles. One of these principles focuses on the development of activity centres:

“Support urban and economic development of the activity centres network as places that attract people to live and work by optimising land use and transport linkages between centres; protecting identified employment land from residential encroachment, where appropriate; and avoiding contiguous linear or ribbon development of commercial activities beyond activity centres.”

Perth and Peel @ 3.5 million identifies the Bentley-Curtin precinct as a ‘Specialised Activity Centres and a key strategic location for urban consolidation. The framework envisions Perth as a city which capitalises on technology and innovation to deliver a more competitive economy. The Specialised Activity Centre, which includes the BTP, is central to delivering this vision by supporting targeted economic and employment growth.

2.1.3 Central Sub-Regional Planning Framework (2018)

The Activity Centre is located within the Central Sub-Region. The Sub-regional Framework focuses on achieving higher infill and densities for residential development and employment within the existing built environment. Specialised Activity Centres such as Curtin-Bentley are places that have strong specialised roles focussed on regionally significant economic or institutional activities, technology-based businesses or airports within the centre.

The Central Sub-Regional Planning Framework identifies the subject land as an ‘Activity Centre’ within the Bentley Curtin Specialised Centre. According to Appendix 1, Table 6, the employment precinct is expected to generate 9,740 new jobs, increasing from 13,970 to 23,710 by 2050.

2.1.4 Metropolitan Region Scheme (2025)

The amendment area is currently zoned as ‘Urban’ under the Metropolitan Region Scheme (**MRS**), intended for *“provide for residential development and associated services, including shopping, employment, recreation, and community facilities”*. Hayman Road is also zoned as ‘Urban’ recognising its attributes as a lower order road in the

overall road hierarchy. Kent Street is reserved as an 'Other Regional Road', recognising its regional significance and higher order function.

2.1.5 State Planning Policy 4.2 – Activity Centres (2023)

State Planning Policy 4.2 - Activity Centres (**SPP 4.2**) provides the overarching framework for activity centres in the Perth, Peel and Greater Bunbury regions. Its purpose is to guide the planning and sustainable development of activity centres and manage the distribution of retail activity across the regions, in accordance with the hierarchy of activity centres.

Consistent with the Perth & Peel @ 3.5 million and Central Sub-regional planning frameworks, SPP 4.2 identifies the BTP within a wider Specialised Activity Centre. SPP 4.2 outlines the centre has specialisation of education, research and technology. The following key planning considerations are outlined in SPP 4.2:

- *Planning for these centres should aim to protect the specialisation while improving the growth and clustering of business activity of State and regional significance.*
- *These areas are to be developed as places with a concentration of linked businesses and institutions providing a major contribution to the economy, with excellent transport links and potential to accommodate significant future growth in jobs and in some instances housing.*
- *A precinct structure plan is to be prepared for strategic, secondary, district and specialised activity centres unless the Western Australian Planning Commission (WAPC) is satisfied that one is not required*

2.1.6 Bentley-Curtin Specialised Activity Centre Plan (2023)

The ACP was prepared by the DPLH on behalf of the WAPC, and in consultation with State and local governments, and key landowners, including Curtin University. The ACP provides a broad, district-level strategic planning framework designed to transform the Specialised Activity Centre into a dynamic hub of innovation, education, research, and enterprise and create stronger links between the various sub-precincts, including the Curtin Bentley campus and BTP. It promotes an urbanised environment with improved amenity and an increased mix of compatible and complementary land uses. Residential diversity in convenient locations close to places of employment and education is anticipated to make the activity centre an attractive choice for education, employment and living.

"An innovative, creative and collaborative centre of excellence in science, technology, education and research supporting the State's economic growth through the development and commercialisation of ideas into viable and sustainable enterprises. A vibrant place that is accessible, safe, sustainable, affordable and attractive for people to study, work, live and enjoy life."

(Vision for the Specialised Activity Centre as outlined within the ACP, WAPC 2018)

The ACP is intended to guide planning and development to 2031 and inform region and local planning scheme amendments and further detailed planning to be undertaken through the preparation of structure plans across the eight identified precincts.

The guidance provided in the ACP reinforces the need for a PSP over the BTP area and confirms that a PSP is the appropriate mechanism – rather than the current restrictive covenants – to facilitate orderly and proper detailed planning.

2.2 Town of Victoria Park Local Planning Framework

This section summarises the key components of the ToVP's local planning framework relevant to this Scheme Amendment Request.

2.2.1 Local Planning Strategy (2022)

Local Planning Strategy sets out the City's objectives for future planning and development within the municipality over the next 10-15 years. The Strategy establishes specific growth objectives for Specialised Activity Centre which are as follows:

- *To develop an innovative, creative and collaborative centre of excellence in science, technology, education and research of State significance.*

- *To develop a network of specialised places that deliver the vision for the Bentley-Curtin Specialised Activity Centre Plan and are compatible with the Town's activity centre hierarchy.*
- *To encourage innovative and sustainable city building and place-making from concept design through to long-term management.*

The Strategy recognises the significance of the components of the activity centre located within the local government area and supports the undertaking of detailed planning in accordance with the guidance outlined within the ACP.

2.2.2 Local Planning Scheme No. 2 (2024)

The Town of Victoria Park's Local Planning Scheme No. 2 (LPS2) was recently gazetted on 18 December 2024 and zones the subject area as SU1. The purpose of SU1 is outlined below:

"The Technology Park Special Use zone shall be promoted and consolidated as a specialised location for research and development activities supported by a mix of complementary uses with regard to the Bentley-Curtin Specialised Activity Centre Plan."

Schedule D sets out the permissibility and conditions associated with land use in SU1. The provisions reinforce the primacy of the use of the scheme amendment area for the purposes of research and development but allows for a range of potentially complementary and compatible land uses as discretionary ('D') uses, subject to conditions being fulfilled. These conditions reinforce the need for a PSP to provide a planning framework that supports the exercise of discretion when it comes to determining the appropriateness of several land uses and confirms a PSP is the appropriate mechanism for detailed planning, rather than the current restrictive covenants.

3.0 Scheme Amendment Request

3.1 Proposal

This Scheme Amendment Request proposes to amend LPS2 as follows:

- Amend the Scheme Text to insert (3) under 'Clause 35 – Restrictive Covenants':

“(3) A restrictive covenant affecting land in SU1 – Technology Park, Bentley depicted in Schedule D – Special Use Zones that has the effect of restricting sale, lease, subdivision, land use, construction, building height, fencing, parking or materials which may be developed on the land is extinguished.

Note: The owner of land affected by a restrictive covenant which is extinguished by operation of this clause should apply to the Registrar of Titles under the Transfer of Land Act 1893 for a memorandum of the discharge of the restrictive covenant to be entered on the certificate of title, to ensure that the Register reflects the statutory operation of this local planning scheme.”

The proposal is considered to be a 'standard' amendment under the provisions of the Regulations for the following reasons:

- The amendment would have minimal impact on land in the scheme area that is not the subject of the amendment;
- The amendment would not result in any significant environmental, social, economic or governance impacts on land in the scheme area; and
- The amendment is not a complex or basic amendment.

3.2 Basis

This Scheme Amendment Request proposes to utilise the powers of LPS 2 to extinguish 29 restrictive covenants (refer to **Table 1**) which impact on the ability for the BTP to be developed to its potential consistent with the State, region local planning framework. The restrictive covenants also hinder the successful implementation of a future PSP over the BTP and undermine the intent of this planning framework as a mechanism for guiding detailed planning in the scheme amendment area. Extinguishing the restrictive covenants allows for the eastern portion of the BTP to develop in accordance with the planning framework and facilitates the orderly and proper planning of the scheme amendment area.

The PD Act provides the ability for a local planning scheme (or amendment) to extinguish restrictive covenants.

Section 69(1)(b) of the PD Act provides the ability for a planning scheme (or amendment) to make “*provision for all or any purpose, provisions, powers or works referred to in Schedule 7*” Clause 11(1) of Schedule 7 of the PD Act states that a planning scheme may provide for “*the extinguishment or variation of any restrictive covenant, easement or right of way.*”

The PD Act does not discriminate the extent to which an application may extinguish encumbrances via a Scheme Amendment process but any proposal to amend or remove an encumbrance must be based on justifiable planning grounds.

3.3 Assessment

The removal of the restrictive covenants allows for the effective implementation of the State and local planning framework and including the developing PSP. The establishment of the planning framework has been based on extensive strategic planning for the BTP, and removing the restrictive covenants enables the standards and controls

embedded within the planning framework to be implemented in accordance with the vision for the amendment area. The PSP will contain contemporary built form controls which relate specifically to development, built form, land use, parking, fencing, streetscape and amenity within the precinct, making the purpose of the restrictive covenants redundant.

The PSP, in addition to the current State, region and local planning framework including the controls within LPS 2 and the ACP provide for an orderly and proper planning framework that appropriately control land use and development within the amendment area, in accordance with common planning practice.

Appendix B provides an assessment outlining how the current planning framework and future PSP provides the standards and controls which supersede the restrictive covenants, thereby making them redundant.

Removal of the restrictive covenants also facilitates the typical subdivision and development assessment processes for the amendment area and removes the need to obtain prior approval from the Minister of State Development. This allows for the orderly and proper planning processes to be implemented to the benefit of landowners in the amendment area, and streamlines the process in accordance with the goal 3 of the State Governments planning reforms:

*“Planning systems are consistent and efficient.”
(Goal 3 of the Action Plan for Planning Reform, WAPC 2019)*

3.4 Implementation

The Regulations outline different statutory processes and timeframes for the assessment, determination and implementation of an amendment to a Local Planning Scheme and Precent Structure Plans. While these are separate processes—each with their own procedural requirements, public consultation obligations, and approval pathways—the Regulations do not preclude them from being progressed concurrently. Accordingly, the DPLH and the ToVP may consider this Scheme Amendment Request ahead of the consideration of the draft PSP, to facilitate coordinated and timely planning outcomes.

Submitting this Scheme Amendment Request ahead of the PSP seeks to ensure a seamless transition between the lifting of the restrictive covenants and implementation of the PSP. Through the Bentley Technology Park Working Group, attended by the DPLH, the ToVP and key other stakeholders, a collaborative and concerted effort will be placed on managing the two connected planning processes through their respective process.

It is considered that a robust and appropriate planning framework is already in place, with sufficient standards and controls embedded within LPS2 and the approved ACP, to support the removal of the existing restrictive covenants in advance of the determination of the PSP. While the PSP will build upon and enhance the existing framework by providing further detail on land use, subdivision, development and infrastructure, it is not intended to introduce any fundamental or critical standards or controls that would warrant deferring the removal of the covenants. The existing planning instruments provide adequate statutory and strategic guidance to manage land use and development in the interim, ensuring that orderly and proper planning can be achieved without reliance on the PSP.

On this basis, it is requested that this Scheme Amendment Request is initiated as soon as practical.

4.0 Conclusion

The BTP is a part of a Specialised Activity Centre significant to the region and State's economy. The eastern portion of the BTP, subject to this Scheme Amendment Request is affected by historic restrictive covenants that restrict land use, subdivision and development, and require a quasi-assessment process to occur prior to the proper statutory subdivision and development assessment processes. The restrictive covenants once served a legitimate planning purpose, providing a level of control over land use and development at a time when a more detailed planning framework was not in place, but now impose outdated standards and controls which substantially restrict (or in some cases prohibit) the ability for landowners to develop their landholdings in accordance with the planning framework and vision for the growth of the BTP and wider Specialised Activity Centre.

The PD Act provides Local Planning Schemes with the ability to remove restrictive covenants.

This Scheme Amendment Request seeks the ToVP to initiate a 'standard' amendment to LPS 2 to introduce provisions into Clause 35 – Restrictive Covenants to remove the restrictive covenants that apply to the land zoned SU1. The proposal is considered to be a 'standard' amendment under the provisions of the Regulations for the following reasons:

- The amendment would have minimal impact on land in the scheme area that is not the subject of the amendment;
- The amendment would not result in any significant environmental, social, economic or governance impacts on land in the scheme area; and
- The amendment is not a complex or basic amendment.

The proposed amendment is critical to supporting the proper implementation of the future PSP. Extinguishing the restrictive covenants will remove outdated land use, subdivision and development controls which currently burden the existing lots within the amendment area and remove the need for approval to be obtained from the Minister of State Development through an unclear and convoluted process prior to the commencement of the proper statutory assessment processes for subdivision and development.

Preliminary engagement with key stakeholders, including the ToVP, DPLH, CoSP and key landowners in the BTP has identified support for this proposal.

Orderly and proper planning standards and controls are already in place through the provisions of LPS 2 and ACP and will be further supplemented by guidance provided in the PSP in development by the DevelopmentWA.

On this basis, it is requested that this scheme amendment is initiated by the ToVP Council.

THE TRANSFEROR for the consideration herein expressed HEREBY TRANSFERS TO THE TRANSFEREE the estate and interest herein specified in the land above described subject to the encumbrances as shown hereon (a)

Restrictive Covenants

The Transferee hereinbefore described by itself and its successors and assigns hereby covenants with the Transferor as the proprietor for the benefit of all of the Lots comprised in Portion of Canning Location 3252 and being comprised in Plans 15403, 15736, 15737, 16869 and in Diagrams 70041, 70132, 71195, 73566 and 74187 and the successors in Title to the said Lots to the intent that the covenants hereinafter mentioned shall run with and bind the land hereinbefore described (hereinafter referred to as "the said land"):

- (a) No construction shall commence on the said land until building plans, site plans and perspectives have been approved in writing by the Transferor and no material or substantial variation to such plans and perspectives shall be made without the further approval of the Transferor.
- (b) No material or substantial alteration or extension to existing improvements shall be made without the prior approval of the Transferor and the submission to the Transferor of building plans and perspectives for such alterations and extensions (such approval not to be unreasonably withheld) that no noisy noxious or offensive trade, act, business occupation or calling is to be carried on on the said land which may be a nuisance to adjoining owners or occupiers or which may lawfully be deemed to be a nuisance by any local or public authority.
- (c) That the Transferee shall not contravene the relevant Health, Noise Abatement and Clean Air Act and Regulations and any special regulations and by-laws including those required by the Perth City Council pertaining to Technology Park and affecting the said land.
- (d) That no vehicle shall be permitted to be parked on the said land other than in accordance with the location or locations specified on the building and site plans referred to in clause (a) above.
- (e) That the Transferee shall not erect or cause to be erected any signs on the property unless and until the Transferor shall have approved of the same in writing (such approval not to be unreasonably withheld)
- (f) That the Transferee shall not:
 - (i) Sub-divide the said land without the prior written approval of the Transferor.
 - (ii) Assign, lease or sub-let the said land without the prior written approval of the Transferor first had and obtained (such approval not to be unreasonably withheld where the proposed use of the said land by the proposed assignee, lessee or sub-lessee complies with approved zonings for the said land).
 - (iii) Without the prior written approval of the Transferor alter substantially the use to which the said land is or is to be put as approved by the Transferor.
 - (iv) Sell or agree to sell or grant any option over the said land or any part thereof to any person without obtaining from such person a covenant to be bound by the same terms and conditions as are herein provided and on the part of the Transferee to be performed.
 - (v) Erect any fencing on any part of the said land
 - (vi) Lop or remove any trees on the said land unless such lopping or removal becomes necessary for ensuring safety of persons or property.

a. Here set forth any Easements to be created as appurtenant to the land commencing with the words "together with" and/or any Reservations hereby created encumbering the land commencing with the words "Reserving to" and/or any Restrictive Covenants hereby created.

TOWN OF VICTORIA PARK
Received: 20/06/2025

The Transferee hereinbefore described by itself and its successors and assigns hereby covenants with the Transferor as the proprietor for the benefit of all of the Lots comprised in Portion Canning Location 3252 and being comprised in Plans 15403, 15736, 16869 and in Diagrams 70041, 70132, 71195, 73566 and 74187 and the successors in Title to the said Lots to the intent that the covenants hereinafter mentioned shall run with and bind the land hereinbefore described (hereinafter referred to as "the said land"):

a. No construction shall commence on the said land until building plans, site plans and perspectives have been approved in writing by the Transferor and no material or substantial variation to such plans and the perspectives shall be made without the further approval of the Transferor.

b. No material or substantial alteration or extension to existing improvements shall be made without the prior approval of the Transferor and the submission to the Transferor of building plans and perspectives for such alterations and extensions (such approval shall not be unreasonably withheld) that no noisy noxious or offensive trade, act, business occupation or calling is to be carried on on the said land which may be a nuisance to adjoining owners or occupiers or which may lawfully be deemed to be a nuisance by any local or public authority.

c. That the Transferee shall not contravene the relevant Health, Noise Abatement and Clean Air Act and Regulations and any special regulations and by-laws including those required by the Perth City Council pertaining to Technology Park and affecting the said land.

d. That no vehicle shall be permitted to be parked on the said land other than in accordance with the location or locations specified on the building and site plans referred to in Clause (a) above.

e. That the Transferee shall not erect or cause to be erected any signs on the property unless and until the Transferor shall have approved of the same in writing (such approval not to be unreasonably withheld).

f. That the Transferee shall not:

- (i) Subdivide the said land without the prior written approval of the Transferor
- (ii) Assign, lease or sub-let the said land without the prior written approval of the Transferor first had and obtained (such approval not to be unreasonably withheld where the proposed use of the said land by the proposed assignee, lessee or sub-lessee complies with approved zonings for the said land);
- (iii) Without the prior written approval of the Transferor alter substantially the use to which the said land is or is to be put as approved by the Transferor.
- (iv) Sell or agree to sell or grant any option over the said land or any part thereof to any person without obtaining from such person a covenant to be bound by the same terms and conditions as are herein provided and on the part of the Transferee to be performed.
- (v) Erect any fencing on any part of the said land.
- (vi) Lop or remove any trees on the said land unless such lopping or removal becomes necessary for ensuring safety of persons or property.

Dear Sir,

RE: TRANSFER OF LAND DOCUMENT - MINISTER FOR STATE DEVELOPMENT
TO KULYARN PTY LTD - CERTIFICATE OF TITLE VOLUME 1840 FP:OP
576

We refer to the above Transfer of Land document and in particular
to execution of same by the Transferee.

Kulyarn Pty Ltd executed the Transfer and P Barraclough signed
same as witness.

When the Transfer was delivered to us we queried the signature
with Dr R Russell, one of the Directors. Dr Russell confirmed
that the Transfer was witnessed in error and after ruling
through the signature of P Barraclough, Dr Russell signed his
name in the presence of the writer.

We trust that this will allow you to process the document.

Yours faithfully,

THE TRANSFEROR for the consideration herein expressed HEREBY TRANSFERS TO THE TRANSFeree the estate and interest herein specified in the land above described subject to the encumbrances as shown hereon. (Inst. 2)

The Transferee hereinbefore described by itself and its successors and assigns hereby covenants with the Transferor as the proprietor for the benefit of all of the Lots comprised in Portion of Canning Location 3252 and being comprised in Plans 15403, 15736, 16869 and in Diagrams 70041, 70132, 71195, 73566 and 74187, and the successors in Title to the said Lots to the intent that the covenants hereinafter mentioned shall run with and bind the land hereinbefore described (hereinafter referred to as "the said Land"):

- a. No construction shall commence on the said land until building plans, site plans and perspectives have been approved in writing by the Transferor and no material or substantial variation to such plans and the perspectives shall be made without the further approval of the Transferor.
- b. No material or substantial alteration or extension to existing improvements shall be made without the prior approval of the Transferor and the submission to the Transferor of building plans and perspectives for such alterations and extensions (such approval not to be unreasonably withheld) that no noisy noxious or offensive trade, act, business occupation or calling is to be carried on on the said land which may be a nuisance to adjoining owners or occupiers or which may lawfully be deemed to be a nuisance by any local or public authority.
- c. That the Transferee shall not contravene the relevant Health, Noise Abatement and Clean Air Act and Regulations and any special regulations and by-laws including those required by the Perth City Council pertaining to Technology Park and affecting the said land.
- d. That no vehicle shall be permitted to be parked on the said land other than in accordance with the location or locations specified on the building and site plans referred to in Clause (a) above.
- e. That the Transferee shall not erect or cause to be erected any signs on the property unless and until the Transferor shall have approved of the same in writing (such approval not to be unreasonably withheld).
- f. That the Transferee shall not:
 - i. Sub-divide the said land without the prior written approval of the Transferor;
 - ii. Assign, lease or sub-let the said land without the prior written approval of the Transferor first had and obtained (such approval not to be unreasonably withheld where the proposed use of the said land by the proposed assignee, lessee or sub-lessee complies with approved zonings for the said land);
 - iii. Without the prior written approval of the Transferor alter substantially the use to which the said land is or is to be put as approved by the Transferor;
 - iv. Sell or agree to sell or grant any option over the said land or any part thereof to any person without obtaining from such person a covenant to be bound by the same terms and conditions as are herein provided and on the part of the Transferee to be performed;
 - v. Erect any fencing on any part of the said land;
 - vi. Lop or remove any trees on the said land unless such lopping or removal becomes necessary for ensuring safety of persons or property.

- (b) No material or substantial alteration or extension to existing improvements shall be made without the prior approval of the Transferor and the submission to the Transferor of building plans and perspectives for such alternations and extensions (such approval not to be unreasonably withheld) that no noisy noxious or offensive trade, act, business occupation or calling is to be carried on the said land which may be a nuisance to adjoining owners of occupiers or which may lawfully be deemed to be a nuisance by any local or public authority.
- (c) That the Transferee shall not contravene the relevant Health, Noise, Abatement and Clean Air Act and Regulations and by-laws including those required by the Perth City Council pertaining to Technology Park and affecting the said land.
- (d) That no vehicle shall be permitted to be parked on the said land other than in accordance with the location or locations specified on the building and site plans referred to in clause (a) above.
- (e) That the transferee shall not:-
 - (i) Sub-divide the said land without the prior written approval of the Transferor.
 - (ii) Assign, lease or sub-let the said land without the prior written approval of the Transferor first had and obtained (such approval not to be unreasonably withheld where the proposed use of the said land by the proposed assignee, lessee or sub-lessee complies with approval zonings for the said land).
 - (iii) Without the prior written approval of the Transferor alter substantially the use to which the said land is or is to be put as approved by the Transferor.
 - (iv) Sell or agree to sell or grant any option over the said land or any part thereof to any person without obtaining from such person a covenant to be bound by the same terms and conditions as are herein provided and on the part of the Transferee to be performed.
 - (v) Erect any fencing on any part of the said land.
 - (vi) Lop or remove any trees on the said land unless such lopping or removal becomes necessary for ensuring safety of persons or property.

Dear Sir,

Restrictive Covenants - Transfer of Lot 201 on Diagram 88801 in
Certificate of Title Volume 2046 Folio 596
Minister for Commerce and Trade to Kulyarn Pty Ltd

We act on behalf of the Minister for Commerce and Trade, the Transferor referred to in the abovementioned Transfer.

It is our opinion that each of the restrictive covenants set out in the Transfer is a restrictive covenant and they are negative in nature. The restrictive covenants will only be relevant to the land specified in the Transfer as being benefited and/or burdened by the covenants.

We provide this letter in accordance with paragraph 7.160 of the Practice Manual.

Yours faithfully,
KOTT GUNNING

THE TRANSFEROR for the consideration herein expressed HEREBY TRANSFERS TO THE TRANSFEREE the estate and interest herein specified in the land above described subject to the encumbrances as shown hereon. (Inst. 2)

TOWN OF VICTORIA PARK
Received: 20/06/2025

The Transferee hereinbefore described by itself and its successors and assigns hereby covenants with the Transferor as the proprietor for the benefit of all of the Lots comprised in Portion of Canning Location 3252 and being comprised in Plans 15403, 15736, 16869 and in Diagrams 70041, 70132, 71195, 73566, 74187, 88800 and 88801 and the successors in Title to the said Lots to the intent that the covenants hereinafter mentioned shall run with and bind the land hereinbefore described (hereinafter referred to as "the said Land"):

- a) No construction shall commence on the said Land until building plans, site plan and perspectives have been approved in writing by the Transferor and no material or substantial variation to such plans and the perspectives shall be made without the further approval of the Transferor.
- b) No material or substantial alteration or extension to existing improvements shall be made without prior approval of the Transferor and the submission to the Transferor of building plans and perspectives for such alterations and extensions (such approval not to be unreasonably withheld) that no noisy noxious or offensive trade, act, business occupation or calling is to be carried on on the said land which may be a nuisance to adjoining owners or occupiers or which may lawfully be deemed to be a nuisance by any local or public authority.
- c) That the Transferee shall not contravene the relevant Health, Noise Abatement and Clean Air Act and Regulations and any special regulations and by-laws including those required by the Perth City Council pertaining to Technology Park and affecting the said land.

Dear Sir

**RESTRICTIVE COVENANTS
VOLUME 1764 FOLIO 575 ("the Property")**

We act on behalf of the vendor of the Property.

In our opinion each of the Restrictive Covenants contained in the Transfer are valid in that they:

1. are negative in nature;
2. directly restrict the user of land; and
3. will only be relevant to the land specified in the Transfer as being burdened by the covenants.

The land to be benefited is all of the lots comprised in Portion of Canning Location 3252 and being comprised in Plans 15403, 15736, 16869 and in Diagram 70041, 70132, 71195, 73566 and 741187.

Yours faithfully

THE TRANSFEROR for the consideration herein expressed HEREBY TRANSFERS TO THE TRANSFEREE the estate and interest herein specified in the land above described, subject to the encumbrances as shown hereon. (Instruction 2)

RESTRICTIVE COVENANT

The Transferee hereinbefore described itself and its successors and assigns hereby covenants with the Transferor as the proprietor for the benefit of all the Lots comprised in Portion of Canning Location 3252 and being comprised in Plans 15403, 15736, 16869 and in Diagrams 70041, 70132, 71195, 63566 and 741187, and the successors in Title to the said Lots to the intent that the covenants hereinafter mentions shall run with and bind the land hereinbefore described (hereinafter referred to as "the said Land").

- a) No construction shall commence on the said land until building plans, site plans and perspective has been approved in writing by the Transferor and such approval shall not be unreasonably withheld, and no materials or substantial variation to such plans and the perspectives shall be made without the further approval of the Transferor.
- b) No material or substantial or extension to existing improvements shall be made without the prior approval of the Transferor and such approval shall not unreasonably withheld, and the submission to the Transferor of building plans and perspectives for such alterations and extensions (such approval not to be unreasonably withheld) that no noisy noxious or offensive trade, act, business occupation or calling is to be carried on the said land which may be a nuisance to adjoining owners or occupiers or which may lawfully be deemed to be a nuisance by any local or public authority.

Dear Sir

RESTRICTIVE COVENANTS - PLAN NO. 15737 ("THE PLAN")

We act on behalf of The Minister for Commerce and Trade, the Registered Proprietor of Lot 21 on the Plan.

We are instructed to write to you in respect of the Restrictive Covenants included in the Transfer of Lot 21 on the Plan.

In our opinion the Covenants contained in the Transfer are valid in that they:

1. are negative in nature;
2. directly restrict the user of the land;
3. are only relevant to the lot being transferred as the lot will be burdened by the Restrictive Covenants.

The land benefiting from the Restrictive Covenants is the balance of the lots in the Plan.

Yours faithfully
KOTT GUNNING

THE TRANSFEROR for the consideration herein expressed HEREBY TRANSFERS TO THE TRANSFEREE the estate and interest herein specified in the land above described, subject to the encumbrances as shown hereon. (Instruction 2)

The Transferee, on behalf of itself, its successors in title, transferees and assigns of the Land, covenants and agrees with the Transferor, the Transferor's successors in title, transferees and assigns of the balance of the lots in the Estate, that:

1. In these covenants, unless the context otherwise requires:
Covenant means one of these restrictive covenants and **Covenants** shall have a corresponding meaning
Entry Guidelines means the Entry Development Guidelines for Technology Park dated 9 February 1999 as amended from time to time
Land means the land hereby transferred
2. No construction shall commence on the Land until building plans, site plans and perspectives have been approved in writing by the Transferor and such approval shall not be unreasonably withheld, and no material or substantive variation to such plans and perspectives shall be made without the further approval of the Transferor.
3. No construction shall be carried out on the Land or use made of the Land that is inconsistent with the Entry Guidelines.
4.  No material or substantial alteration or extension to existing improvements on the Land shall be made without:
 - (a) the prior approval of the Transferor and such approval shall not be unreasonably withheld; and
 - (b) the prior approval by the Transferor (not to be reasonably withheld) of building plans and perspectives for such alterations and extensions.
5. No noisy, noxious or offensive trade, act, business, occupation or calling is to be carried on on the Land which may be a nuisance to adjoining owners or occupiers or which may lawfully be deemed to be a nuisance by any local or public authority.
6. There shall be no contravention of the relevant Health, Noise Abatement, and Clean Air act and regulations, any special regulations and any by-laws or local laws (including those required by the City of South Perth) pertaining to the Estate and affecting the Land.
7. No vehicle shall be permitted to be parked on the Land other than in accordance with the location or locations specified on the building and site plans referred to in Covenant 2 above.
8. No signs shall be erected on the Land without the prior approval of the Transferor (such approval shall not be unreasonably withheld).
9. No fences shall be erected on the Land.
10. No trees on the Land shall be lopped or removed unless such lopping or removal becomes necessary for ensuring the safety of persons or property.
11. The Land shall not be sub-divided without the prior written approval of the Transferor.
12.  The Transferee shall not sell, agree to sell or enter into any option to sell any part of the Land without the prior written approval of the Transferor (such approval not to be unreasonably withheld).
13. The Transferee shall not assign, lease or sub-let the Land without the prior written approval of the Transferor (such approval not to be unreasonably withheld where the proposed use of the Land by the proposed assignee, tenant or sub-tenant complies with the approved zonings for the Land).
14. The burden of the restrictive covenants contained in Covenants 2 to 13 inclusive burdens and runs with the Land.
15. The benefit of the restrictive covenants contained in Covenants 2 to 13 inclusive benefits and runs with all of the lots comprised in portion of Canning Location 3252 and comprised in Plans 15403, 15736, 16869 and Diagrams 70041, 70132, 71195, 73566 and 74187.

THE TRANSFEROR for the consideration herein expressed HEREBY TRANSFERS TO THE TRANSFeree the estate and interest herein specified in the land above described, subject to the encumbrances as shown hereon. (Instruction 2)

The Transferee hereinbefore described by itself and its successors and assigns hereby covenants with the Transferor as the proprietor of all of the Lots comprised on Portion of Canning Location 3252 and being comprised in Plans 15403, 15736, 16869 and in Diagrams 70041, 70132, 71195, 73566, and 74187, and the successors in Title to the said Lots to the intent that the covenants hereinafter mentioned shall run with and bind the land hereinbefore described (hereinafter referred to as "the said Land").

- a) No construction shall commence on the said land until building plans, site plans and perspectives have been approved in writing by the Transferor and no materials or substantial variation to such plans and the perspectives shall be made without the further approval of the Transferor.
- b) No material or substantial alteration or extension to existing improvements shall be made without the prior approval of the Transferor and the submission to the Transferor of building plans and perspectives for such alterations and extensions (such approval not to be unreasonably withheld) that no noisy noxious or offensive trade, act, business occupation or calling is to be carried on on the said land which may be a nuisance to adjoining owners or occupiers or which may lawfully be deemed to be a nuisance by any local or public authority.
- c) That the Transferee shall not contravene the relevant Health, Noise Abatement and Clean Air Act and Regulations and any special regulations and by-laws including those required by the Town of Victoria Park Council pertaining to Technology Park and affecting the said land.
- d) That no vehicle shall be permitted to be parked on the said land other than in accordance with the location or locations specified on the building and site plans referred to in Clause (a) above.
- e) That the Transferee shall not erect or cause to be erected any signs on the property unless and until the Transferor shall have approved of the same in writing (such approval not to be unreasonably withheld).
- f) That the Transferee shall not:-
 - i. Subdivide the said land without the prior written approval of the Transferor;
 - ii. Assign, lease or sub-let the said land without the prior written approval of the Transferor first had and obtained (such approval not to be unreasonably withheld where the proposed use of the said land by the proposed assignee, lessee, or sub-lessee complies with approved zonings for the said land);
 - iii. Without the prior written approval of the Transferor after substantially the use to which the said land is or is to be put as approved by the Transferor;
 - iv. Sell or agree to sell or grant any option over the said land or any part thereof to any person without obtaining from such person a covenant to be bound by the same terms and conditions as are herein provided and on the part of the Transferee to be performed;
 - v. Erect any fencing on any part of the said land;
 - vi. Lop or remove any trees on the said land unless such lopping or removal becomes necessary for ensuring safety of persons or property.

Dear Sir

RESTRICTIVE COVENANTS - PLAN NO. 30187 ("THE PLAN")

We act on behalf of The Minister for Commerce and Trade, the Registered Proprietor of Lot 72 on the Plan.

We are instructed to write to you in respect of the Restrictive Covenants included in the Transfer of Lot 72 on the Plan.

In our opinion the Covenants contained in the Transfer are valid in that they:

1. are negative in nature;
2. directly restrict the user of the land;
3. are only relevant to the lot being transferred as the lot will be burdened by the Restrictive Covenants.

The land benefiting from the Restrictive Covenants is all of the lots comprised in Plans 15403, 15736, 16869 and Diagrams 70041, 70132, 71195, 73566 and 74187.

Yours faithfully

THE TRANSFEROR for the consideration herein expressed HEREBY TRANSFERS TO THE TRANSFEREE the estate and interest herein specified in the land above described, subject to the encumbrances as shown hereon. (Instruction 2)

RESTRICTIVE COVENANTS

The Transferee hereinbefore described by itself and its successors and assigns hereby covenants with the Transferor as the proprietor of all of the Lots comprised on Portion of Canning Location 3252 and being comprised in Plans 15403, 15736, 16869 and in Diagrams 70041, 70132, 71195, 73566 and 74187, and the successors in Title to the said Lots to the intent that the covenants hereinafter mentioned shall run with and bind the land hereinbefore described (hereinafter referred to as "the said Land").

- (a) No construction shall commence on the said land until building plans, site plans and perspectives have been approved in writing by the Transferor and no materials or substantial variation to such plans and the perspectives shall be made without the further approval of the Transferor..
- (b) That the Transferee shall not contravene the relevant Heath, Noise Abatement and Clean Air Act and Regulations and any special regulations and by-laws including those required by the Town of Victoria Park Council pertaining to Technology Park and affecting the said land.
- (c) That no vehicle shall be permitted to be parked on the said land other than in accordance with the location or locations specified on the building and site plans referred to in Clause (a) above.
- (d) That the Transferee shall not erect or cause to be erected any signs on the property unless and until the Transferor shall have approved of the same in writing (such approval not to be unreasonably withheld).
- (e) That the Transferee shall not:
 - (i) Assign, lease or sub-let the said land without the prior written approval of the Transferor first had and obtained (such approval not to be unreasonably withheld where the proposed use of the said land by the proposed assignee, lessee, or sub-lessee complies with approved zonings for the said land);
 - (ii) Without the prior written approval of the Transferor alter substantially the use to which the said land is or is to be put as approved by the Transferor;
 - (iii) Sell or agree to sell or grant any option over the said land or any part thereof to any person without obtaining from such person a covenant to be bound by the same terms and conditions as are herein provided and on the part of the Transferee to be performed;
 - (iv) Erect any fencing on any part of the said land;
 - (v) Lop or remove any trees on the said land unless such lopping or removal becomes necessary for ensuring safety of persons or property.

THE LAND BENEFITING FROM THE RESTRICTIVE COVENANTS IS ALL OF THE LOTS COMPRISED IN PLANS 15403, 15736, 16869 AND DIAGRAMS 70041, 70132, 71195, 73566 AND 74187.

┌ The Transferee, on behalf of itself, its successors in title, transferees and assigns of the Land, covenants and agrees with the Transferor, the Transferor's successors in title, transferees and assigns of the balance of the lots in the Estate, that: ┐

1. In these covenants, unless the context otherwise requires:
Covenant means one of these restrictive covenants and **Covenants** shall have a corresponding meaning
Entry Guidelines means the Entry Development Guidelines for Technology Park dated 9 February 1999 as amended from time to time
Land means the land hereby transferred
2. No construction shall commence on the Land until building plans, site plans and perspectives have been approved in writing by the Transferor and such approval shall not be unreasonably withheld, and no material or substantive variation to such plans and perspectives shall be made without the further approval of the Transferor.
3. No construction shall be carried out on the Land or use made of the Land that is inconsistent with the Entry Guidelines.
4. No material or substantial alteration or extension to existing improvements on the Land shall be made without:
 - (a) the prior approval of the Transferor and such approval shall not be unreasonably withheld; and
 - (b) the prior approval by the Transferor (not to be reasonably withheld) of building plans and perspectives for such alterations and extensions.
5. No noisy, noxious or offensive trade, act, business, occupation or calling is to be carried on on the Land which may be a nuisance to adjoining owners or occupiers or which may lawfully be deemed to be a nuisance by any local or public authority.
6. There shall be no contravention of the relevant Health, Noise Abatement, and Clean Air act and regulations, any special regulations and any by-laws or local laws (including those required by the City of South Perth) pertaining to the Estate and affecting the Land.
7. No vehicle shall be permitted to be parked on the Land other than in accordance with the location or locations specified on the building and site plans referred to in Covenant 2 above.
8. No signs shall be erected on the Land without the prior approval of the Transferor (such approval shall not be unreasonably withheld).
9. No fences shall be erected on the Land.
10. No trees on the Land shall be lopped or removed unless such lopping or removal becomes necessary for ensuring the safety of persons or property.
11. The Land shall not be sub-divided without the prior written approval of the Transferor.
12. The Transferee shall not sell, agree to sell or enter into any option to sell any part of the Land without the prior written approval of the Transferor (such approval not to be unreasonably withheld).
13. The Transferee shall not assign, lease or sub-let the Land without the prior written approval of the Transferor (such approval not to be unreasonably withheld where the proposed use of the Land by the proposed assignee, tenant or sub-tenant complies with the approved zonings for the Land).
14. The burden of the restrictive covenants contained in Covenants 2 to 13 inclusive burdens and runs with the Land.

Dear Sir

RESTRICTIVE COVENANTS - PLAN NO. 16869 ("THE PLAN")

We act on behalf of The Minister for Commerce and Trade, the Registered Proprietor of Lot 106 on the Plan.

We are instructed to write to you in respect of the Restrictive Covenants included in the Transfer of Lot 106 on the Plan.

In our opinion the Covenants contained in the Transfer are valid in that they:

1. are negative in nature;
2. directly restrict the user of the land;
3. are only relevant to the lot being transferred as the lot will be burdened by the Restrictive Covenants.

The land benefiting from the Restrictive Covenants is all of the lots comprised in Plans 15403, 15736, 16869 and Diagrams 70041, 70132, 71195, 73566 and 74187.

Yours faithfully

Comparative Analysis

Restrictive Covenant Matter	Other Planning Provisions	Intent for BTP PSP
Subdivision	The Bentley Curtin Specialised Activity Centre Plan (ACP) provides guidance for the assessment of subdivision applications. For large-scale lots, subdivision is discouraged to enable the existing use or other appropriate large-scale use to be accommodated within Bentley-Curtin. Subdivision may be considered in the event where surplus undeveloped land is better utilised via boundary realignment, amalgamation and or subdivision.	The PSP will build on the guidance contained within the ACP and provide additional guidance for key redevelopment.
Land Use	Land use is controlled through LPS2. Schedule D of the Town of Victoria Park LPS2 sets out the permissibility and conditions associated with land use in Special Use 1. The provisions reinforce the primacy of the use of the scheme amendment area for the purposes of research and development but allows for a range of potentially complementary and compatible land uses as discretionary ('D') uses, subject to conditions being fulfilled. The following land uses are permitted: - Research and development The following land uses are discretionary, where the land use is undertaken as part of a research and development premises, or where the proposal is consistent with an approved precinct structure plan, or in the absence of an approved precinct structure plan, on land is designated for mixed use in the ACP: - child care premises - civic use - community purpose - consulting rooms - convenience store - educational establishment - hotel - hosted short-term rental accommodation - industry – light - medical centre - multiple dwelling - office - recreation – private - reception centre - restaurant / café - warehouse / storage - industry The ACP designates various sites for mixed use (refer to Figure 9)	The PSP will provide additional land use guidance for the precinct to ensure the primacy of research and development is maintained, whilst allowing for complementary and compatible uses where appropriate and in accordance with the guidance provided in the ACP. Additional guidance will be provided on areas and key sites where mixed-use land uses may be considered, to support the operation and commercial activation of the precinct.

Fencing	The Town of Victoria Park manages fencing controls through the development application process.	The PSP will provide design guidance and built form controls, which will include guidance applicable to fencing.
Parking	Car parking ratios and requirements are controlled by the Town of Victoria Park Local Planning Policy 23.	The PSP will provide additional guidance relating to car parking and streetscape design, including the acceptable location for parking and design requirements, and guidance to support the management of on-street parking. The carparking and streetscape requirements will be managed through specified sub-precinct controls.
Construction	Construction requirements in Australia are outlined in the National Construction Code (NCC), which sets the minimum necessary standards for safety, health, amenity, and sustainability in the design and construction of buildings. The Town of Victoria Park manages construction in accordance with the requirements of the NCC, through the building permit process. All construction within the precinct will be managed through standard practices overseen by the local government.	Not directly applicable to PSP, although the PSP will provide built form guidance that will be considered in the context of NCC requirements.
Colours & Materials	The ACP outlines that new built form development within the precinct shall consist of a high-quality design and materials. Colours are not controlled by the ACP. The Town of Victoria Park Local Planning Policy No. 36 – Climate Control also provides guidance for new development in respect to environmentally sustainable design which encourages energy efficient design. It is expected most development applications within the precinct will be reviewed by the Town's Design Review Panel which will provide input on the proposed design, including colours and materials.	The PSP will not provide guidance for specified colours or materials for built form projects. The PSP may defer to the implementation of design guidelines within the precinct to ensure materials and colours are in keeping with the vision of an internationally recognised innovation precinct.

Hi Kelli

Apologies for the delay, I have been away from work sick.

As far as we were aware, the Restrictive Covenants should have also transferred with the property.

If this is not the case then JTSI is happy to support the surrender the of the covenants by the Minister for State Development.

Kind regards

Louise

Some people who received this message don't often get email from kelli.howell@development.wa.gov.au. [Learn why this is a problem](#)

Hi Louise

Reaching out to you on the back of Linda's email below as I need to initiate a discussion with you about the Restrictive Covenants at Bentley Technology Park.

As you may be aware, JTSI's Bentley Technology Park property portfolio transferred to DevelopmentWA in June 2020. DevelopmentWA has commenced Precinct Structure Planning to assist with the renewal of the park and enhance the concept of a contemporary innovation precinct.

The Minister for State Government imposed Restrictive Covenants over the lots within Bentley Technology Park when the park was first established (20+ years ago) to provide an independent set of land use controls. They create an obligation between landowners and the State Government and are in addition to any land use planning controls introduced. The terms of the Restrictive Covenants are very wide. Restrictions include:-

- No construction of any development or any alteration of a development without the Ministers approval
- No vehicles to be parked other than as specified on plans approved by the Minister
- No subdivision without approval
- No assignment or lease of the land without Ministerial approval (not to be unreasonably withheld if the proposed use complies with the zoning)
- No sale or granting an option to purchase without Ministers approval (not to be unreasonably withheld if a use has been approved by the Minister)
- No fencing without Ministers approval
- No removal of trees other than for safety without the Minister's approval

The Minister for State Development is responsible for the enforcement of the Covenants. The way for landowners to secure approval under the Covenants is unclear, given there is no formal process in place or guidelines available on how the application should be presented. The Covenants are a dated way of controlling land use and are constraining development in the park.

The new planning framework being prepared under the Precinct Structure Plan gives leverage to removing the Restrictive Covenants. I need to gain JTSI's support before asking the Minister for State Development to surrender the covenants in favour of the Minister. The Minister is likely to send that request to JTSI seeking approval before we lodge the surrender at Landgate.

Could you please consider the above and provide some direction on how you would like to proceed.

Kind regards,

Kelli Howell

Hi Kelli

Andrew passed on your email below.

Best point to discuss this with would be our Legal Counsel, Louise Seery, I have cc'd Louise and Abi in from her team.

Our understanding was that all had transferred to DevWA, but it appears there may have been a final administration step that has not been undertaken.

Abigail and Louise will be able to assist and clarify the situation and options.

Kind regards

Hi Andrew

Great to chat to you last week about Bentley Tech Park.

As a follow-up to our conversation, please could you provide the contact at JTSI who deals with the covenants at Bentley so I can initiate a discussion about surrendering the covenants.

Thanks,
