<p>The requested funding is for training balls. <p>Panel Assessment:</p> <ul style="list-style-type: none"> • The Victoria Park Junior Football Club claim to be an inclusive and connected community and allowing balls to be purchased through the grant allows the Club to keep the fees down. • Highly Recommended funding. • Fairly straightforward replacement of equipment due to wear and tear. • Recommend for this grant application to be approved as it provides support to one of the communities junior sporting clubs. This grant will also allow for some reduction in player fees as the grant would assist with the expenditure necessary for purchase of equipment. <p>• The panel recommends project funding of \$1,135.50 (25% of the cost)</p>
