

Work Zone Permit Application

Important Information

- Approval will be given within seven working days.
- If applicable, all invoice(s) must be paid in full prior to permit being issued.
- A sketch of the work zone area must be provided with this application.
- If your activity obstructs a car bay(s), you must obtain a parking permit in addition to a work zone permit. To apply, visit www.victoriapark.wa.gov.au/parking-permits or contact the Town. Please ensure you apply for the below Work Zone Permit first.

Applicant details

Title:
