

Street Meet n Greet

Social Impact Storyboard and Scorecard

Street Meet n Greet 2024 – 2025 Storyboard

We invested
\$11,044...

to build neighbourhood
connections...

...in 18
events...

... develop a strong
sense of community...

...for 386
households...

...and increase their
feelings of well-being
and safety.

Street Meet n Greet 2024-25 Scorecard

By providing rebates to community members who host Street Meet n Greet events, we increase opportunities for neighbours to meet each other and build communities that look out for each other, contributing to a safer neighbourhood and decreased social isolation.

What did we do?

Processed and approved
18 funding applications.

Distributed **\$6,781** in grant funding.
\$3,900 spent on road closure costs

3 event types supported

Provided resources:
invitations
neighbourhood contact sheet
activity ideas

We have been hosting the street party for so long we can't remember. It is a **sense of community** that we enjoy creating and being part of.

How well did we do it?

33% of hosts felt safer after the event.

100% of hosts would host again.

Participant feedback

We met new people who have moved in since last year and thoroughly enjoyed the food from our local café. Everyone had a wonderful time and we stayed late and talked and talked.

**This event fostered
a feeling of community and
a sense of belonging.**

Thank you, Vic Park Council.
Such a great idea and we supported our local small business as well.

By creating a warm and welcoming space for our neighbours to interact, we **encouraged future conversations and ongoing mutual support**, creating a greater sense of belonging in our local area.

Who benefited?

Residents in the Town of
Victoria Park:
Hosts
Families
Migrants
Elderly and socially
isolated

Our Street Meet n Greet was a great success. We welcomed four neighbouring households for an evening of food, music, games and friendly conversation...

The kids were thoroughly entertained... Everyone had a fantastic time, and the event **helped strengthen relationships and build a stronger sense of community on our street.**

We not only had our regulars, but **five new households joined** as well. Our newcomers were so complimentary, thrilled to be asked to the event and fed!

Theory of Change: By providing rebates to community members who host Street Meet n Greet events, we increase opportunities for neighbours to meet each other and build communities that look out for each other, contributing to a safer neighbourhood and decreased social isolation.

Degree of alignment with Theory of Change: 90%*

Inputs	Participants	Activities / Deliverables	Short term changes	Mid-term changes	Strategic Outcomes
Funding	Residents in the ToVP	Neighbourhood social events held throughout the Town of Victoria Park, each event to include at least 6 households	Increased connections between neighbours	Stronger sense of community	S1: Helping people feel safe
	Hosts			Improved feelings of wellbeing	
Staff	Attendees		Opportunity to initiate regular neighbour contact	Improved perceptions of safety	S2: Collaborating to ensure everyone has a place to call home.
	Families				
Resources	Migrants				
	Elderly and socially isolated				

*Based on feedback from 18 hosts and responses to why they hosted an event, how the event went, feelings of safety before and after the event and whether they would host an event again.
